text:

Dear Sidney,

Thank you for "The Mortgaged Heart." It came while I was staying in N.Y. with Reeves and I just saw it yesterday.

Tell me more about your ~~f~~ visit to me. It will be so good to see you. I am thinking about going to Charleston for some weeks. So let me know when you are coming ~~xxxxxx~~ so that I can adjust my plans. I need to see the South again. I hope you will be coming soon. Let me know, so that I can write my Charleston friends.

This is just a scratchy note. Will write again soon.

Fondly,

Carson
