Dear Dr. Isenberg:

I enjoyed very much our long telephone conversation in Atlanta, Sunday night, November 22, relative to Carson and Reeves McCullers. Indeed your helpful comments gave me additional insight into both of their personalities.

As you know, I had hoped to be able to return to Atlanta to see you for a talk in person before my trip to New York; however, I am leaving on December 10 and will not be back until the 19th. Perhaps it will be best to wait until early January. I would like very much to have you share with me your correspondence with Carson, any pictures that you may have, as well as your personal and professional comments about both Carson and Reeves, and I shall respect whatever degree of anonymity that you wish to maintain in my book. I shall call you in January to see when it will be convenient for you to see me.

Again, thank you.

Sincerely,

*Virginia S. Carr*
