Honorable A. Willis Robertson
Senate Office Building
Washington, D. C.

Dear Willis:

I appreciate your letter of January 6 concerning the Mock Convention to be held at Washington and Lee University, at which I have been asked to give the keynote speech on April 30.

It is too early to know definitely whether I can accept, but I am definitely considering the possibility and shall be glad to talk with you about it when I next see you.

Thanking you for your interest, and with best regards,

Sincerely,

Alben W. Barkley
