Phil Labro  
Box 13  
Washington and Lee Univ.  
Lexington, VA.

DEAR Phil,

That was an outstanding job of reporting you did for us Monday night on Barkley's death. Your fast, complete coverage is sincerely appreciated.

You will receive a check out of New York later this month as compensation for a job well done.

Best wishes on your finals at W&L and on your return to your native France.

Most sincerely,

David M. Moffit
