THE NINETEEN FIFTY-EIGHT
CALYX
Virtue or morality is a necessary spring of popular government. The rule indeed extends with more or less force to every species of free government. Promote, then, as an object of primary importance, institutions for the general diffusion of knowledge. In proportion as the structure of a government gives force to public opinion, it is essential that public opinion should be enlightened.

G. Washington
Farewell Address, 1796

The Container Corporation of America has, over the past few years, presented to the American public a series of illustrated quotations entitled "Great Ideas of Western Man." Each of these have been chosen because of a particular pertinence to education, government, morals, and other allied subjects. In addition, the art work has been done by the most prominent commercial artists. Special permission was granted by the Container Corporation for the use of those reproductions appearing in the 1958 CALYX. For this favor we acknowledge our thanks.
The statement "man as a rational being" has often prefaced sundry remarks and descriptions of the human race. Logically speaking, this well-worn phrase is very significant as it illuminates the salient difference between the "homo sapiens" and all other forms of animal life.

Moreover, as man is a thinking being, it suggests a very profound and possibly dangerous adjunct of his existence. That is, he has the power to direct his course as regards himself and his relations with others. To the extent that these relations are carried forth in a harmonious manner, his power has, and will, reach its highest fruition. But to the extent that mental energy is spent in solvonly, selfish, and unproductive activities, the great benefit of the mind is circumvented and its presence is to no good avail.

For better or for worse, then, man has recorded a history of thought. He has built civilizations and he has destroyed them. He has made peace and declared war. He has risen to the heights of moral attainment and has fallen to the depths of decadence. Whether these actions have been lauded or condemned, they are all products of the mind.

As is true with all else, some men have been blessed with better or more active mental powers than others. To these has fallen the heavy responsibility of recording history, analyzing its results and proposing theories as to its eventual outcome. Others have theorized on utopias of both political and economic nature. But above the various ap-
proaches lies a transcendent purpose, that is, to improve man and the places in which he lives.

It soon became evident that there must be a systematic method by which to communicate the knowledge of the past to the present, for the benefit of the future. This method is education.

Although much of the educative process is creative, there is, nevertheless, a building on the archives of the past. These collected thoughts of the scholars of antiquity are not limiting in their nature, but rather serve to direct the thoughts along known channels. Early investigations of thought provide the foundations on which modern conjecture must rest.

It is here that the vital role of the University appears. In taking the great ideas of the past, interpreting them, and building upon them, the security of the future is, in part, assured. There must, however, be a highly selective process of deleting that which has little value and utilizing that which has great value.

Washington and Lee is one of hundreds of institutions striving for
the mental maturity needed to judge between the alternatives offered by the past. It is this role that is so vital to the safety of the American tradition, and without which our security is in danger.

As we cast off the peripheral, we must direct our thoughts to the essential and central core of this institution. Although its physical history covers but a few hundred years, that which we will cherish as part of our heritage covers a far greater span of time; it represents the recorded history of man, his hopes, fears, joys, loves, or more inclusive, his ideas, the totality of which represent the unbroken chain of rational human heritage.

In a moment in time we have been capable of bringing both the past and the future into the immediate present. Thus it seems, as it were, that we stand at a "still point in the turning world"; we have been introduced to the eternal crossroads of rationale where the sum total of human learning may pass before our minds.

The illumination of the past is, inversely, the key to the future. Only a thorough knowledge of the past will give us the right to speculation and experimentation in time to come. We, through the very nature of this institution, have become the mediators of the past and the future. It is this responsibility of being the caretakers of the record handed down through ages past that should be cherished as the essential and significant meaning of our association with Washington and Lee.

In truth, the very substance of this University has been bestowed upon us; the instruction in the history of man; his ideas. From this moment on, each concrete symbol that calls to memory our residence here must also call into being the gift we have received. We are no longer the observers of the substance of this University, rather, we are now the transmitters.
Spring discussion and politics at the Omicron Delta Kappa Circle

Many hours spent in McCormick Library pass away.
Enthusiastic football crowd packs the stands of Wilson Field.

Freshmen receive their orientation in the tent at Freshmen Camp.
The late Marcellus H. Stow, Professor of Geology.
As a scholar, friend, and gentleman Dr. Marcellus H. Stow will be remembered by his students and fellow faculty members. It is with deep appreciation and sorrow that we mark his untimely passing. The 1958 Calyx humbly dedicates this book to his memory.
Goethe on man's happiness:

The highest happiness of man as a thinking being is to have probed what is knowable and quietly to revere what is unknowable.

(Maxims and Reflections, 1829)
administration
To the Seniors of 1958:

We thank you. We who watch the years bring us our students and then take them away—from our campus but not from our hearts—are grateful that you elected this school as your Alma Mater.

You go forth into your own world, in many ways a world uniquely exciting, challenging, even perilous. We hope we have given some fitness for the complex opportunity, some courage for the dangerous duty. We hope also that you, remembering the traditions of your University, are mindful of the changeless in a world of change.

Joseph Addison on Education

Education is a companion which no misfortune can depress, no crime can destroy, no enemy can alienate, no despotism can enslave. At home a friend, abroad an introduction; in solitude a solace and in society an ornament.

It chastens vice, it guides virtue, it gives, at once, grace and government to genius.

Without it, what is man? A splendid slave, a reasoning savage.

[Image of freshmen's portraits]
Why should we be in such desperate haste to succeed, and in such desperate enterprises? If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him step to the music which he hears, however measured or far away. (Walden, Chap. XVIII, Conclusion)
Editor

March 11, 1958

Mr. Farris P. Hotchkiss  
Editor, CALX  
Washington and Lee University  
Lexington, Virginia  

Dear Mr. Hotchkiss:

Thank you very much for your recent letter and for the pictures of the top entrants in the CALX Yearbook contest, which I am returning to you herewith.

Since all the girls looked so charming, it was a rather difficult choice for me to make. However, my selections are indicated on cards attached to their respective pictures.

Sincerely,

JERRY LEWIS

interfraternity council
The Betas in 1938 have followed closely in the footsteps of the brothers of past years. Diversity and success have again characterized their efforts in campus activities. In publications, we had Farris Hotchkiss as editor of the CALX and Dave Owen as sports editor. Dave was also editor of the Freshman Handbook for the second consecutive year. Two members in the house held important positions in their respective classes. Owen Harper was secretary of the Junior Class and Frank Surface, in addition to his membership in SWMSEC, was the Sophomore Executive Committeeman. Other activities in which Betas occupied prominent positions were as follows: the Dormitory Counsellors, Dave Owen, Ralph Bauum, and Farris Hotchkiss. The Student Service Society, of which Hotchkiss was president; the International Relations Club, of which John Larson was President; and the Severance, the Washington and Lee singing group, included Howard Hopkins and Ralph Bauum. A further honor came to Beta when Archie Jenkins and Farris Hotchkiss were elected to membership in "Who's Who in American Colleges and Universities."

Athletically a number of Betas played Varsity Football, among whom were Jack Groener, first string quarterback and winner of the Reulst Trophy, freshmen Hunter Tracht and John Dieahl, and Tom Moore and Gordon Rountree. Frank Surface, Tom Moore and Sandy Larson played Varsity Basketball, and in Lacrosse, Dave Noble and Sam Merrick were outstanding.

On the social scene numerous informal house parties were held, and Beta finished a successful year of partying with Farris Hotchkiss as president of the Final's Dance Set.

All the Betas want to express thanks to their housemother, Mrs. Martin, "Mom" has given the Beta House excellent council and management and has been a constant inspiration "to her boys" for twelve years.

First Row, left to right: Hawkins, Beall, Johnson, Thalacker, J. Lemmon, R. White, Waggenheim, Smith, Struven, Ames, Noel, J. Towler.
Fourth Row: Crutcher, Broll, Allen, Noel, Lea, Moore, Mosby, Ironsides, Parker, Comey, P. Lemmon.
Nearly a century ago a group of undergraduates at Bethany College of West Virginia founded a college fraternity which was to become one of the largest in the nation. It was Delta Tau Delta. From that small beginning it has grown to such an extent that it has chapters in most major universities in the United States and Canada. Since it was founded at Washington and Lee, in 1896, Phi chapter has distinguished itself by its leadership in all fields of campus activities.

In the 1957-58 school year the men of Phi chapter upheld the tradition. Delf Arnold Groobey was elected President of the Student Body, Corky Briscoe was elected President of Fancy Dress, and Andy McThenia was elected Vice-President of the Senior Class. Harry Brunett was President of the Dance Board, and, Bill Towler took on the responsibility of Director of the University Religious Conference. Bill and Andy were Dormitory counsellors along with Jim Lewis, who was also a counsellor at Freshman Camp and was a member of the Student-Faculty Athletic Commission. In scholarship Delt scholars were proud to have held the number four spot among the fraternities. Delt scholars were led by Frank Hoss and Andy McThenia, who were on the Honor Roll. Delt were represented in SWMSFC by Groobey, and Groobey was elected to ODK.

In sports, Frank Hoss was captain of the basketball team. Jim Lewis headed an impressive list of Delt Lacrosse players as captain of the team and is a safe bet on the All-American Lacrosse team for the third straight year. Jerry Parker, Phyz Lemon, and Roger Doyle were outstanding on the wrestling team. Phyz was head cheerleader, the second Delt in as many years to hold that spot.

The Delt Homecoming decoration, engineered by pledge Don Thalaker, took first prize. That same Saturday Delt spirit was chosen best at the Homecoming game and they retired the trophy winning it for the third time.

Right behind us all the time were our House Mother, Mrs. Smith, and our faculty advisor, Mr. James Farrow. They were there to give us that extra little push just when we needed it in order to make 1957-58 one of the best years in the history of Phi Chapter of Delta Tau Delta.
delta upsilon

OFFICERS

DAN COX .................................................. President
HOWARD PACKETT ................................. Vice-President
JERRY SUSSKIND .......................... Secretary-Treasurer
TOM O'BRIEN ........................................... House Manager
MRS. CAY S. LANGHORNE .......... House Mother

The Washington and Lee Chapter of Delta Upsilon was established in 1930, and through a spirit of brotherhood and endeavor has maintained a prominent position on the campus over the years.

Mrs. Cay S. Langhorne, in her second year with the DU's, has endeared herself to the brothers. "Cay," as the affectionately prefers to be called, has enriched our lives with her grace and charm, along with sympathy and understanding.

Emphasizing leadership, versatility, and character, Delta Upsilon's membership includes the following campus leaders:

- Lew John, President of the IFC, "Who's Who in American Colleges and Universities" and chairman of the Student Library Committee.
- Mike Barry, President of the Senior class and ex-secretary of the Junior class.
- He was also president of the Washington Literary Society.
- Lash La Rue, Phi Eta Sigma, Ring-tum-Phi and Student Service Society, Jerry Susskind, Sports Editor of the Ring-tum-Phi and CALYX, and associate editor of the Shenandoah.
- Grove was co-fraternity editor of the CALYX and an Honor Roll student.
- Howard Pickett is president of Sigma Delta Chi and head of Kaleidescope and Home Edition.

In athletics, Graham Fulton played football while Wick Hollingshead, Jim Cone and Harry Proctor aided the soccer team. Dom Flora made the All-Southern Conference and All-Big Six team in basketball and was ranked as one of the top ten players in the South. Gene Girard was also on the starting five and Jerry Gordon and Dick Mahoney played freshman ball. Scott Carroll was on the wrestling team. Gene Girard was on the mainstays of the varsity track team, Frank Hoopes turned in a fine year at first base and Dom Flora again starred in the outfield for the Generals' baseball team.

Achieving distinction in all phases of campus life, DU finished well up in the intramural program and did fairly well in scholarship. The fraternity is looking forward to many more years of outstanding service to Washington and Lee.

NELSON TEAGUE ........................... Secretary
GEORGE THOMPSON ........................ Treasurer—House Manager
MRS. ETHAL LEWIS ........................ House Mother

Kappa Alpha order was founded here at Washington and Lee in 1865 in the dormitory room of William Walsh which is now the present Robinson Hall, where there is a plaque commemorating the occasion. Since that time, Kappa Alpha has grown and expanded until there are over eighty active chapters scattered over the United States. One of the main influences in the establishment and spread of Kappa Alpha was General Robert E. Lee to whom we owe much of our tradition and idealism, as he is considered the spiritual founder of our fraternity.

Here at Washington and Lee, Alpha chapter of Kappa Alpha Order is active in all phases of school life. Parkhill Mays and Cliff Smith are on the Executive Committee while Cliff Smith is also President of Omicron Delt Kappa and editor of the Tuesday of the Ring-tum Phi. Murray Waddsworth is President of the Junior Class. Tom Bradford is President of the Commerce Fraternity.

Academically, K. A. is also top as we have won the scholarship trophy for seven of the last ten semesters. Bradford is President of the Phi Eta Sigma to which Chuck Colvin and Charles Hunt also belong. Brother Bradford is also a member of Phi Beta Kappa. Warren Froster, who graduated last year, is studying this year in France on a Fulbright scholarship.

In athletics, Alpha is also active as Bob Funkhouser and Charlie Wassum are aiding the football team. Charles Hunt is a standby on the tennis team and is expected to add power again next year. Bill Snyder and Carter Fox are out for soccer. The golf team won the Intramural trophy lead by John Pay, Dave Keys, Guy McKenzie, and Jack Lester.

Socially, Alpha enjoyed itself as usual with many fine parties. This year's Homecoming Queen, Dedeo Gunnin, represented K. A.

Our faculty advisor, Dr. W. M. Hinton, and our Housemother, Mrs. J. M. Lewis, also have added a great deal to our fraternity and to all of us. More significant than any of this, however, is that all the members find the fraternity to be a source of lasting friendship which forms the basis of wholesome and enjoyable social life.

Chronologically speaking, the first big thing to happen around our Main Street abode occurred before any of the brothers returned this fall when the first of our house improvements, a roof sundeck, was built. Thanks to a generous gift from our Parents' Organization, the living room was refurnished during the fall, and the brothers doled out the elbow grease in large measures to build our back yard barbeque pit.

Thus prepared for the school year, we sailed into Rush Week and came out with 18 pledges, one of whom, Chuck Day, dropped a heartbreaking election in the race for Freshman Executive Committeeman.

In the matter of campus activities we kept up a busy pace. Voigt Smith, a junior, served as Managing Editor of the Southern Collegian, along with positions on Home Edition and Kaleidoscope. Bill Miller, first semester house president and a freshman in Law School, served as Editorial Page Editor of the Friday Ring-Tum-Phi. Phil Groes, a sophomore, was Student Assistant in the W&L News Service and Associate Editor of the Tuesday Ring-Tum-Phi. Brooks Pollock, a senior, held down the post of vice-president of the International Relations Club.

On the field of strife, Hank Gotten was a member of the varsity football and baseball teams. Joe Ulrich was on the baseball team. Glenn Fahrethold completed his fourth year on the rifle team, and Rardon Bevill again served as football manager.

In the realm of dramatics, John Ham received the Troubadours' award for "Excellence in Dramatics;" presented annually by Alpha Psi Omega, honorary dramatics fraternity.

As a unit under the direction of our intramural manager, the Kappa Sigs finished second on campus for two straight years.

As for parties, besides our annual sweetheart ball, and Black and White ball in February, we entertained our Chi Omega sisters from Randolph-Macon in December.

Orchids to Mrs. Pace not only for her work during the Flu, but her all-around contribution to the house for the past two years. And another bit of thanks to Mr. Buford Stephenson, our alumni advisor, for his efforts to keep the house on an even keel during the year.

OFFICERS

AL GITTER ....................................................... President
MANLEY CALDWELL ............................ Vice-President
MARK HAASE ................................................... Secretary
JERE WILLIAMS .................................................. Treasurer
ROB ELDER ................................................... House Manager

Lambda Chi Alpha, founded at Boston University, is the largest fraternity in the world. Installed at Washington and Lee in 1921, the Gamma Phi chapter has become one of the largest fraternities on campus. Lambda Chi, with 59 members, continues to progress with purposeful aims toward the future. The fraternity was awarded the 1957 Grand Athletic Trophy as the top fraternity in intramural and varsity athletic competition. This, together with the 1957 University Scholarship Trophy for the highest fraternity academic grade ratio, symbolizes our achievements.

Our members have distinguished themselves in campus life. Jerry Lindquist was vice-president of the junior class; Peyton Middleton served as commander of the Gaines Guard; and Pete Merrill was head of the university intramural program. Ring.Tum.Phi reporters were Pres. Rowe, Stan Cook, Rob Frumes (photographer), and E. V. Rice. The Home Edition Staff included Bob Elder, Jerry Lindquist, Howe Brown, Pres. Rowe, and E. V. Rice. Once again Lambda Chis dominated the varsity debate team with Bob Shepherd, Tony Gray, Tom Howard, and John White. Jerry Lindquist was initiated into Sigma Delta Chi; Al Gitter held membership in Sigma Delta Psi and Pi Sigma Alpha. Bob Shepherd was treasurer of the Independent Party; and Howe Brown was treasurer of the Christian Council.

Athletically, Lambda Chis excelled in almost every varsity sport. In football Al Gitter played halfback and Bob Shepherd gained much experience at guard. Ashby Morton and Jack Dubois in cross-country; Dubois and Dennis Patton in wrestling; Ed Giles and Dave Hatfield in freshman basketball; Dick Miller, Ashby Morton, and Peyton Middleton in rifle. Maurice Glauser was captain and star of the tennis team, while Jerry Lindquist showed great improvement in lacrosse. The baseball team had Al Gitter, George Card, and Dennis Patton; track members were Ken Lipscomb, Bob Jaber, and Jack Dubois.

Socially, the fraternity enjoyed such events as Homecoming, Parents' Day, the second Crescent Queen Dance, and the Colonial Conclave, of which Gamma Phi served as host. Scholastically, more Lambda Chis held scholarships than any other fraternity.

These were just some of the high points which made the celebration of our thirty-sixth anniversary the culmination of a year marked by growth, participation, and achievement in all fields.
phi delta theta

OFFICERS

SAGE LYONS President
BILL FRANCE Vice-President

ED HALSELL Treasurer
BOB COLLETT House Manager
MRS. HENRY EICHELBURGER House Mother

Virginia Zeta Chapter of Phi Delta Theta was established at Washington and Lee in 1887, thirty-nine years after Phi Delta Theta was founded at Oxford, Ohio, in 1848. The present house was built in 1929 and with the invaluable assistance of Earl S. Mattingly, Secretary of the Board of Trustees and Treasurer of the University.

The members of Virginia Zeta have spread themselves throughout all phases of campus life and have proven themselves leaders in athletic, scholastic, and extra-curricular organizations. Sage Lyons, who was president of Virginia Zeta in the fall term, is Regimental Cadet Colonel of the ROTC unit, Chairman of the SWM SF, representative of the Senior Class on the Executive Committee, and was elected this year to Omicron Delta Kappa and to “Who's Who Among Students in American Colleges and Universities.” Ike Smith, a member of Omicron Delta Kappa and “Who's Who,” was Vice-President of the Freshman Law Class. Tom King, is Vice-President of the Junior Class, Bob Feagin is President of the Sophomore Class, and Billy McWilliams is the Freshman representative to the Executive Committee. Tom Foltz, the co-producer of the Minstrel Show, and Charlie Buffum are members of SWM SF, in the Sigma Society are Mark Smith, Ike Smith (President), Jim Pruitt, and Charlie Mockwart, Irby Walton is a dorm counselor. In the scholastic field, Phil Turner was elected to Phi Beta Kappa. Ed Hall, Irby Walton, Phil Turner, and Bob Feagin are members of Phi Eta Sigma.

In the Athletic department approximately twenty-five members of Virginia Zeta participated in major athletic programs. Tudor Hall was alternate captain of the football team, and Dick Vedder was co-captain of the golf team. Rocky Gaul, a key man on the soccer team has been chosen co-captain for next year. Charlie Mockwart quarterbacked the Phi football team that won the Intramural Football Championship, as well as served as coach of the Red Kernels in the annual Corn Bowl.

Outstanding social activities that highlighted the year included the Fall formal houseparty, the annual Spring Hawaiian party, as well as the Parents' Day cocktail party, and the outing to Gosheen Pass and Twin Falls in the spring.

Virginia Zeta wishes to thank their housemother, Mrs. Henry Eichelburger, and their faculty advisor, Dr. Harvey Wheeler, for their invaluable aid and assistance which has played a large part in making this another extremely successful year for Phi Delta Theta.

OFFICERS

HOWARD JACOBS .............................................. President
DICK TAGER .................................................... Vice-President
MARTIN SLATER ............................................... Secretary
BARRY GOLDSMITH ............................................. Treasurer
STEVE BERG .................................................... House Manager
MRS. MARY C. FLOURNOY .................................. House Mother

This fall, Delta Chapter of Phi Epsilon Pi started its second year in their new house, the newest on the campus. Many improvements have been planned and some have already been carried out. Several trees and bushes were planted early this fall.

Phi Ep continued to maintain its high scholastic standing by ranking first on campus first semester last year, and third the second semester. Seniors Howard Jacobs, Joel Kochen, and Barry Goldsmith are on the Dean’s List. Delta chapter also received the scholarship award made by the national fraternity.

Delta chapter also maintained its position in extra-curricular activities. Steve Berg, last year’s president, and this year’s house manager, is Friday editor-in-chief of the Ring-Tum-Phi, and also vice-president of Sigma Delta Chi. A member of the President’s Student Advisory Council, Steve is also listed in “Who’s Who in American Colleges and Universities.” Howie Jacobs, New Superior of the house, paces Steve in activities. This year Howie is on the Cold Check Committee, and is a member of both the Student Service Society and the Student Advisory Council. Sophomore Allan Biberman is chairman of the Charity Chest. Junior Marty Slater and freshmanMit Schwartz are respectively circulation manager and assistant circulation manager of the Southern Collegian.

Phi is also well represented in athletics. Barry Storick, last year’s co-captain and star of the basketball team, is an assistant coach this year. Sophomore Max Lassman is again a starter on the basketball team. Junior Ron Rubin and freshman Hal Fischel are both on the wrestling team.

Our gracious and understanding house mother, “Mom” Flournoy starts her nineteenth year at Phi Ep. This earns for her the title of “Dean of House Mothers.”

The highlight of opening for Phi Ep this year was the great new combo discovered by Dick Tager, vice-president. Playing for the first time at W. and L., they were hailed as “the best to hit the university in many years.” They also played twice for Fancy Dress.

Historian

House Mother

Phi Gamma Delta was founded at Washington and Jefferson College in Canonsburg, Pa., in 1848. In over a century, the Fijis have become a mainstay in the American fraternity system—eighty-two chapters, eighty graduate chapters, and over 57,000 members give proof to her position. Established in 1868 at Washington and Lee, Zeta Deuteron chapter has carried on the high standards of our founders. The house at 112 Preston Street, one of the most beautiful on the campus, is cherished by all the members, and is a well-known center of campus activity.

This year’s officers were Sonnie Fenstermacher, Worth Higgins, Kaj Brent, Dick and Jim Van Cleave. Under their expert guidance the chapter has maintained the high standards to which it is accustomed. Once again this year, it is a pleasant task to look back on the record the Fijis have amassed during the past two semesters. In general, we can point with pride to our sixth place finish in scholastics, and our third place in intramurals. More specifically, we owe a large vote of thanks to the following men who participated in varsity athletics over the past two years: Jack Daugherty, Tim Russell, Tom Budd, Harry Prestley, Hugh Spruel, Phil Palmer, Will Newton, Robbie Robinson, and Bill Quillen. In intramurals this year, we take this opportunity to congratulate Bill Quillen for winning that grueling test of speed and endurance, the annual Turkey Trot, and putting Phi Gam once again in hot contention for the intramural trophy.

In campus politics Hardin Marion and John Allford once again served as officers of their respective Law classes. Hardin Marion served his second term as Head Dormitory Czar, while John Thompson and Jim Van Cleave also spent the year as counselors. Jim Van Cleave was Art Editor of the campus humor magazine, The Southern Collegian. Tim Hixon was in charge of production on the Annual SWMSC Minstrel Show, while Buch Aiken and John Hopewell participated in several important Troub productions.

This year was once again a social success due to the efforts of Tim Hixon, our social chairman. Highlights were our annual Champagne and Fiji Island parties.

As we look back on this highly successful year let us extend a final vote of thanks to our gracious house mother, Mrs. Virginia Stover Smith.
Virginia Beta Chapter

Virginia Beta of Phi Beta Kappa Psi this year began its 103rd year on the Washington and Lee campus. Founded in February, 1855, the fraternity was the first on campus, and is the third oldest chapter of the Phi Kappa Psi National Fraternity.

The Chapter which pledged seventeen men this year, now stands among the top fraternities of W&L in all phases of University activity. Outstanding among this year's Phi Psi's were: Nick Charles, Tommy Martin, and Joe Graycroft in the Student Service Society; Cal Couch as Captain of the baseball team; Ray Wooldridge on the football team and Gardiner White, Bob Lofit, and Pete Schmidt on the soccer team; Drew Danko and Athy Lowry as wrestlers; Gary McPherson and John Kirk on the basketball team; and Skip Villeret and Bart DePalma as Vice-Presidents of Fancy Dress Ball.

John Peale and John Davis are Vice-President and Secretary, respectively, for the University Christian Association; Kim Wood is Editor-in-Chief of the Friday edition of the Ring-tum Phi; Jerry Miller is leader of the "Sazeracs," the campus informal singing group; and Joe Graycroft is Business Manager of the Dance Board. Tommy Martin, Nick Charles, Ned Pendleton, Skip Horst, and Davis Calvert formed the backbone of the lacrosse team.

Not limiting itself to sports and activities, Phi Psi was very prominent socially. During the Fall, the Chapter held several houseparties, including the annual Christmas party. The success of the House's social activities is of course due to Mrs. Carroll Evans, whose graciousness and charm have added much to the fraternity life.

Phi Kappa Psi is proud of its record and is looking forward to next year for continuing success on the Washington and Lee campus.

House Mother

Alpha Alpha Chapter of Phi Kappa Sigma was founded in 1894 on the campus of Washington and Lee. Since its founding, this chapter has always been a leader in active participation in the many different phases of activities here on campus.

This year the Phi Kappa Sigma house has continued its long tradition of achievement and leadership on the campus and progressed even further in its attempt to broaden itself to the greatest possible fullness. Under the appreciated guidance of our faculty advisor, Dr. L. J. Desha, our house mother, Mrs. J. V. Pegbill, and our president, John Shenkel, we have shown our interest in all phases of college activity.

Several Phi Kaps hold political office. Larry Topping is Secretary of the Student Body, and Charles McCormick and Joe Lyle are secretary and historian respectively of their first year law class. Bob Hawkins is chairman of the University Party. Our two team captains, Charlie McCormick in golf and Warren Nuesse in soccer, and participating team members exemplify our interest in athletics.

Our house last semester ranked high among the seventeen fraternities in academic achievement. This was due, in part, to our representative to Phi Beta Kappa, Larry Smith, and to our representatives to Phi Eta Sigma, Bill Hickam and Larry Smith.

Bob Hylton, Henry Bille, Fred Herschel, Harry Cockey, and Fred Bracher are members of the Washington Literary and Graham-Lee societies. As music particularly interests several brothers, Tony Waaks, Dave Glendy, Charley Toomey, and Walt Shugart are members of the Glee Club. Tony Waaks is president and Dave Glendy is librarian of this organization. Charley Toomey, Bob Hylton, and K. K. Hill belong to the Concert Guild.

Phii Kaps exhibit an interest in several of the campus's leading organizations—Bob Jacob and John Stanchiel serve on the I.F.C., Charles McCormick on SWMSFC, and Walt Shugart on the Christian Council. John McDonald is on the ROTC Regimental Staff. Another facet of campus activity is the publications; Ben Weimer is business manager of the Southern Collegian, and Hal Nunally is the Assistant Sports editor of the Ring-Tum-Phi. Other brothers, too numerous to name, belong to such honorary societies as The Mongolian Minks, Catilhon Club, PAN, and White Friars.

Through this active participation in the organizations of the campus, and an active and full social life, Phi Kappa Sigma feels that it fulfilled its purpose to the school and members by being an integral part of life here at Washington and Lee.

Pi Kappa Alpha fraternity was founded in 1868 at the University of Virginia. The fraternity has grown in number until today it includes 114 chapters throughout the nation. Pi chapter of Pi Kappa Alpha was founded here in 1892.

Leadership has become a tradition with Pi Chapter. The 1957-58 year saw its members continuing this tradition throughout the various campus activities. President Bob Banks, who is also treasurer of the Commerce fraternity, has led the chapter through a very successful year. Mark Davis, who is a senior law student, has gained recognition by being selected President of Phi Delta Phi. One of the greatest honors which was given Royce Hough, a junior from Washington, D.C., was that of being selected as President of Opening Dances. Steve Tippetts was chosen for membership on the University Christian Council, while Dave Schaefer was elected Social chairman of the L.F.C. Lew Allen and Dave Johnson represented Pi by being selected as President of Pi Alpha Nu and White Friars.

In sports sophomore Skip Rhonde was a member of the varsity soccer team and swimming team. He is outstanding in track and holds the southern conference javelin record. T.H. Tiffany was member of the varsity football team, while Skip Israel was a teammate of Rohnke on the swimming team and played varsity baseball along with Dan Payne. The freshman class participated in many athletic activities. Freshman Jerry Wilbourne took second place in the intramural tennis matches. In freshman basketball, Al Folcher, Chuck Riley, Flip Collins, and John Jackson represented Pi. Bob Bourdeau and Jackson were football managers. In the spring, Brothers Hough, Root, Sauers, and Russell played lacrosse.

A great deal of variety characterized the year's social events. A Bohemian party in the early Fall was a great success. The Pi Kappa Alpha ball was held again this year along with the outings to Goshen Falls and Cavo Mountain Lake. Much of Pi's success was directly attributable to the enthusiasm and understanding of our housemother, Mrs. Sara Woodbury. As a charming hostess, she has in her second year already added much to fraternity life.

Founded at the College of Charleston, Charleston, S.C., in 1904, Pi Kappa Phi is a relatively young national fraternity. As such, it contains youthful vigor as evidenced by its nation-wide growth to nearly 60 chapters, and by the growth of Rho Chapter, established at Washington and Lee in February of 1920. Rho Chapter has grown from a small beginning, and today is among the larger houses on campus, having always played an active role in campus activities.

The past year was an active one for Rho Chapter. Some of the outstanding members who represented the chapter well in the life on the University were Dick Anderson, past editor of the Friday Ring-Tum-Phi, member of Phi Beta Kappa, and ODK, alternate member of the Law School moot court team; Bob Kappel, past Sophomore FC, who was a dorm counselor and freshman camp counselor this past year and served as chairman of the Independent Party; John Marsh, chairman of the Gold Check Committee, president of the Concert Guild; Norm Proul, rush chairman of the IFC; Jim Bryant, managing editor of the Friday Ring-Tum-Phi; Jim Kessinger and Bill Clark, photography and news editors of the Ring-Tum-Phi respectively; Paul Flavin, treasurer of the Assimilation Committee and assistant managing editor of the Friday Ring-Tum-Phi.

Athletically, letterman Bill Loeffler and freshman Holt Merchant and Steve Rice were prominent in the cross country team. Lettermen Ivor Enouf and Pres Clark along with freshmen Roger Holder and Bob Park were on the rifle team. This year's pledge class, one of the strongest on campus, promises to carry on the future Rho's goal of producing campus leaders.

The chapter will long remember the bright moments of the past year: the fall palindrome party; the "beer suppers," winning second prize for the Homecoming decorations; Brother Ed Wallace's visit to George Washington; and of course the annual Rose Ball in the spring. The party weekends were numerous and enjoyable and contributed much to a very successful social calendar.

Our thanks go to our housemother, Miss Helen Gardner, for her help in making the past year a successful one. To her we owe a debt of deep gratitude for her understanding and encouragement throughout the year.

KEN SADLER ........................................... President
WHITFIELD JACK JR. ................................. Vice-President
BILL ROBERTS .......................................... Treasurer
CHARLES MIDGLEY ................................. Secretary
MRS. F. L. WAGNER .................................. House Mother

In March 1856, the University of Alabama had the privilege of fostering a new fraternity, Sigma Alpha Ep silon. The fraternity was organized by Noble Leslie DeVoe, and seven very close friends. In 1867, Washington and Lee's chapter of Virginia Sigma was founded by a Mississippi transfer student, Frank Bell Webb.

Now over one hundred years have passed since the founding of the fraternity, and during that time Sigma Alpha Epsilon has built up one of the strongest, and most respected national reputations in the fraternal world. Virginia Sigma has upheld and added to that reputation, and for many years has contributed leaders and participants in all fields on the W&L campus.

To illustrate this leadership is an easy matter for the 1957-1958 session of Virginia Sigma. In the realms of student government, Gill Holland is Vice-President of the student body, and Jim Duckett is Vice-President of the sophomore class. Bill Roberts is president of the publications board, business manager of the CALYX, and captain of Scabbard and Blade. Holland and Roberts were chosen last fall for "Who's Who in American Colleges and Universities." Several SAEs serve on the editorial boards of the Ring-Tum-Phi, the CALYX, and the Southern Collegian. Ken Sailer holds the key position of director of the Minstrel Show.

In sports, SAE won the intramural tennis trophy for the second consecutive year, and was outstanding in other sports. Gill Holland was co-captain of the wrestling team, Courtney Mauly, Jim Duckett, and Harry Heinrich played football. Jim Boldlick, Sam Knowlton, and Bock Knickerbocker played soccer and Knowlton was elected to be co-captain for the 1958 team.

SAE received one of the strongest pledge classes on campus in Rush Week, and spent a profitable and enjoyable year with the pledges.

Virginia Sigma has been especially fortunate in having the wise counsel and invaluable assistance from our faculty advisors, Drs. Starling and Cook. Our appreciation is also extended to Mrs. Felde Wagner, our house mother, whose seven years with Virginia Sigma have been filled with Southern charm and kindly advice.
Alpha Chapter of Sigma Chi was established on June 28, 1855, at Miami University in Oxford, Ohio. The Fraternity has grown until it now embraces 127 active chapters and over 70,000 living members. With Beta Theta Pi and Phi Delta Theta, Sigma Chi forms the famed Miami Triad.

If a concise description of the Zeta Chapter of Sigma Chi were required, it could best be fulfilled by the phrase, "diversification of interest." For at the Sig house there may be found boys whose talents lie in each of the facets of University life; politics, journalism, academics, or the social aspect.

Leading the house this year as president was John Hollister, who was co-captain of the wrestling team, Chairman of the Assimilation Committee, President of the Graham-Lee Society, a member of SWMSC, and one of those seniors chosen for listing in "Who's Who in American Colleges and Universities." Evan Kemp served for a second year as a member of the Executive Committee and was managing editor of the CALYX. Serving as President of the Board of Governors of the Law School, as President of the Student Bar Association, as a member of the Moot Court Team, and as a Freshman Dorm Councilor was Pat Sullivan. In addition, Tom Branch, Bob Moeller, Louis Rehlin and Wat Wotring were members of the Sazeracs.

In the realm of athletics, the house was also well represented. Wat Wotring and Ron Randel played football, while Charlie Crocker, Glenn Gunn, Jack Balfour, Pete Hafler, and Hunter Thompson were on the soccer team. Participants in the winter sports were swimmers Tom Williams and Chuck Springer, and John Hollister and Butch House, who were on the wrestling squad. It is to be expected that Sigs will once again make a considerable contribution to spring sports at W. & L.

On the intramural scene Sigma Chi can expect to post a creditable record in keeping with that which has brought it the overall championship for the past two years.

Among the more memorable social events were the Fancy Dress festivities, the annual Sweetheart Dance, the Spring House Party and the traditional spring afternoons at Goshen.

It would be impossible to summarize a year of the Sigma Chi house without acknowledging our indebtedness to our advisor, Dr. Stevens, and to Mrs. Crawford, our housemother, two persons for whose friendship and guidance we are most grateful.
Sigma Nu, founded at Virginia Military Institute in 1869, is one of the largest national collegiate fraternities in the U.S., having chapters in all but two of the forty-eight states. The Lambda chapter has been on the W & L campus since its establishment here in 1882.

The Sigma Nu's are very fortunate to have Mrs. C. A. Spence for their house mother. She has been with the chapter for thirteen years and has taken a sincere interest in the boys. Among the ranks of the best, Sigma Nu is outstanding in all phases of campus life.

Some of the outstanding leaders on campus were Bob Neunreiter, editor of the *Southern Collegian*, Vice-president of the Academic School, dormitory counselor; elected to "Who's Who in American Colleges and Universities," features editor of the CALYX last year; Sam Monroe, president of the Spring Dances last year; John Glick, vice president of Spring Dances last year; Dave Weaver, secretary of the Sophomore class; Jack Hattendorf was elected to the "13" club. In campus publications Tew DuBols was on the *Southern Collegian* Staff, and Bill Barrington, Chief Chamberlain and Bob Lethbridge were on the *Ring-Tum-Phi* staff.

In sports Sigma Nu was widely represented. Letterman John Grabau, John Koedel, Bill Willis, Bill Bedsole and Doug Redaere were gridmen, Steve Coats captained the cross country team, and Al Broadus was also on the team. Representing the Rifle team were Art Heming, John Koedel, Jack Hattendorf, and Louis Burford, Bill Harrington was on the baseball team, and Tew DuBols played varsity tennis.

On the social side, Goshen Pass and Cave Mountain Lake proved to be excellent settings for the fall and spring outings. Almost every weekend there was a house party. One of the most outstanding events of the year was the annual White Rose formal.

But of primary importance of Lambda, Sigma Nu, was a feeling of friendship and unity.

OFFICERS

STEVE FRIEDLANDER .................. President
DICK BRICKMAN .................. Vice-President
DON SIGMUND .................. Secretary
IRV CAPLAN .................. Treasurer
RALPH EVANS .................. House Manager
MRS. MARSH .................. House Mother

First Row, left to right: M. Gottsegen, Paley, E. Berman, David, Spiegel, Saling, Shensa, Sharlin, Vitsky, Kleeman, Lewis.
Zeta Beta Tau had its beginnings on the Washington and Lee campus in 1920 as an outgrowth of the Gamma Gamma Club which was formed in 1919 by six students. Granted a charter by the national fraternity, it became the Alpha Epsilon Chapter. From this humble beginning the chapter has expanded notably in size and prestige and was recently awarded the Fraternity Cup as the outstanding chapter of ZBT for 1956-57.

As exemplified in this and preceding years, ZBT has striven to attain and maintain unexcelled participation in the scholastic, extra-curricular, and social phases of campus life. The installation as pledges of fifteen freshmen, bringing the total membership of Alpha Epsilon to fifty-five, inaugurated the fraternity’s successful year.

Individually, Zeta Beta Tau can boast of outstanding leaders representing almost every activity on campus. Ralph Evans was elected President of the 1958 Spring Dance Set and is a member of the SWMSCC. House President Steve Friedlander is business manager of the Ring-tam Phi and a member of the Publications Board. Two coveted positions are held by Ross Pickus, Commerce School Vice-President of the senior class and vice-president of the Student Service Society.

Active elsewhere are Jerry Abramson, president of the Washington Literary Society; Irv Berman, president of Pi Chi; and Jerry Sklar, treasurer of the IFC.

Athletically, the ZBT’s started the year with a fine football squad, finishing a close second in its league. Dick Brickman made the All-Intramural team. Recent varsity letter winners are Ira Samelson for football for the third straight year, Mer- ritt Politz for rifle, and Alan Osher and Art Blank for swimming. Art Blank was the 1957 Southern Conference diving champion.

Alpha Epsilon is deeply indebted to Mrs. Lence Marsh, our patient housemother, whose tolerance, understanding, and sympathy have contributed immeasurably to our home away from home.
on the dual nature of civilized man

So in every individual the two trends, one towards personal happiness and the other towards unity with the rest of humanity, must contend with each other.

Washington and Lee opened the 1957 football season with little hope of bettering their record of 1-7 of last season. The team had lost many stars including Al Platt, Ike Smith, and Corky Briscoe.

Lee McLaughlin, who had replaced Bill Chipley as head coach, found himself facing many problems. McLaughlin had turned in many fine records at Episcopal High School, and used all the experience he had to give the Generals offense a little drive. The “GO-T” proved to be the answer. Although unable to win, the rejuvenated club gave W&L fans many thrills. Jack Groner proved to be a fine passer and made honorable mention on the Big Six team. Tudor Hall, Clark Lee, and Bob Funkhouser also added speed and power to the backfield. Jim Lewis captained the ’57 squad and did a fine job catching Groner’s passes at end.
CENTRE COLLEGE

The Blue and White opened the season against Centre College on Wilson field and dropped a hard fought game 7-6. Centre tallied midway in the first period, and from then on it was all W&L. In the third period Jack Groner hit Clark Lee's end zone for the score, but the conversion attempt failed. In the fourth period the Generals drove again, moving 40 yards in six plays to the seven-yard line. Tudor Hall drove over, but an offside penalty called the play back, and Centre won 7-6.

JOHNS HOPKINS

On October 12th the gridders traveled to Baltimore to meet Johns Hopkins. The Blue Jays, one of the strongest teams in the Mason-Dixon conference, turned back the Generals' second bid for a win by a score of 13-12. Hopkins scored in the first period, but the Blue fought back in the second period when Joe Cambria recovered a fumble on the Jay's 17. Bill Young scored on the second play, and the score stood at 6-6 at the half-time. In the third period Lewis blocked a punt, and Tom Budd caught it in the air, and moved to the 13. From there Tudor Hall plunged for the score and it was 12-6. Hopkins came back early in the final period scoring on a four yard end run, and added the extra point for the win.

RANDOLPH-MACON

The Blue and White met Randolph-Macon next at Ashland on October 19th. The Yellow Jackets, led by Sig Hawerton, downed W&L 33-6. The defense held well in the first period, but Macon tallied twice in the second period both on passes, and led 14-0 at the half. The Jackets added two more scores in the third period staying on the ground, and got one in the fourth on an intercepted pass. Clark Lee picked up the lone tally on a 14-yard run with 20 seconds left in the game.

WITTENBERG COLLEGE

On October 26th, the Generals played host to Wittenberg College. The Tigers roared to a 61-26 win over the outclassed W&L squad. The Tigers hit for three TD's in the first period, but the Blue picked up two as Groner passed...
71 yards to Clark Lea for a TD, and added a second one when Hall fumbled in the end zone and Dick Young recovered for the score. At the quarter it was 21-13. Wittenberg scored twice in the second and led 35-13 at the half. The Tigers got 20 points in the third, and led 55-13 in the final frame. Jack Groner passed to Jim Lewis twice to narrow the marking but it wasn't enough, and the game ended 61-26.

WABASH COLLEGE

Washington and Lee met Wabash, November 2, for Homecomings. The club turned in a fine game, but fell before the powerful Indiana team 34-13. The Little Giants scored once in the first period, and twice in the second to lead 20-0 at half time. The Generals came out mad in the third, and moved for a score on the kick-off. Hall sparked the drive which ended with Groner carrying for the score. W&L kicked off, and took the ball over on the first play from scrimmage when John Grabau fell on a fumble. Hall then carried the ball five times from the 25-yard line, and picked up the second TD. Wabash took over then, and scored in both periods to take the game. At the end of the game Jack Groner received the Ty Rauber Memorial Trophy for outstanding play in the Homecoming game.
SEWANEE

It was Homecomings when the Generals met Sewanee there on November 9th. The Tigers made up for last season's loss when they played on Wilson Field, and defeated W&L 33-14. Sewanee scored first after recovering a Blue fumble. The Generals roared back in the second period as Jack Groner passed 30 yards to Jim Lewis for the first score, and then ran 62 yards with 18 seconds left in the half for the second tally. The Tigers had it their own way in the second half, scoring four times against the hapless Blue.

HAMPDEN-SYDNEY

Hampden-Sydney met the Generals, November 19, and kept their undefeated and untied mark clean, winning 32-18 at home. W&L hit in the first stanza as Groner rolled six yards for the score. The Tigers came back with scores in both periods to lead 13-6 at the half. In the third period Bob Funkhouser plowed over for the Blue from the one-yard line. It wasn't enough though as Hampden-Sydney broke loose for 60 and 70 yard touchdown drives by Benson and Bryant.

Washington University of St. Louis

The Generals rounded out the season on November 24, meeting powerful Washington University of St. Louis. Playing in the snow the club received its first shutout of the year falling 47-0. Jack Groner completed 11 out of 22 passes for 109 yards, but it wasn't enough to top the Bears. Don Polkinghorne led the Bear attack scoring all six Washington touchdowns.

Although the Generals ended with a 0-8 record there is hope for a better season next year. McLaughlin has developed a fine attack, and with an improved defense should turn in a good record. The team boasts one of the top passers in the area, Washington and Lee will miss the services of captain Jim Lewis and lineman, Ira Samelson, John Grabau, Watty Watring, Roger Doyle, and Fred Heine.
Washington and Lee's basketball team coached by Weenie Miller ended the 1957-58 season with a record of nine wins and sixteen defeats. The Generals played one of their hardest schedules and suffered from lack of depth and several injuries to key players.

Dom Flora, the Blue and White's star guard, co-captained the cagers, with center Frank Hoss. Flora established a new state scoring record this season by scoring 2,320 points. This also broke the school scoring record and ranked him fifth in the nation for all-time scoring. At the close of the season he was named for the third time to the all-Southern Conference team and the All-Big Six team. Flora received national recognition by being named to the Associated Press Honorable All-American team and also was picked to play in the annual North-South All-Star game. He led the state in scoring this season and was ninth in the nation.

The Generals opened the season meeting Bridgewater College at Staunton, Virginia, and edged out a 65-62 win as Flora and Dave Nichols paced the hoopsters. Returning to Doremus Gym the W & L five turned back Randolph-Macon 78-60 in their first home game. Nichols was considered the top defensive player in the first two games scoring 38 points and pulling down many rebounds.

Suddenly the tide turned and the Blue club found themselves dropping ten straight games. The first defeat came at home as Richmond's Spiders gained revenge for last year's defeats, stopping the Generals 75-65. Co-captain Frank Hoss turned in a fine game at center but it wasn't enough to stop Les Hooker's team. The Generals then travelled to New York City where they met St. John's at Madison Square Garden. Flora turned in a fine game, hitting for 27 points but St. John kept their record intact and won 85-78. The St. John's quintet later went to the NIT tournament. The Blue then met the nation's number one ranked club West Virginia in a conference game. The Generals forced the Mounties to use freezing tactics to win and held them to their lowest point total up to that time. Flora paced all scorers as he tossed in 32 points. Mal Lassman also played a fine game for the Blue, but it wasn't enough as the Mountaineers won 74-69.

Following the W. Va. game the tired Blue team went to Charlottesville where they met a highly underrated University of Virginia five. The Cavaliers were coached by Billy McCann, who had handled the W. &
L, "Five Star Generals" the season before. Virginia proved to be too much for the Blue as they won 87-63. Bush, U.V.'s fine center dominated the boards and at the end of the season was named to the All-ACC team.

Washington and Lee never played their first game with GW due to weather conditions. The team thus had a short rest during Christmas vacation. On December 28th the club opened play again matching a powerful Marshall College team in Huntington, W.Va. Marshall ranked number one in shooting accuracy at the time showed why as they hit 42 out of 57 shots for a 72.5 average and topped W & L 97-73. Byrd paced Marshall with 33 points while Hess led the Generals with 22. Flora hit his low of the year, 22 points.

The Generals then went to Owensboro, Ky., for the All-American City Tournament. In the first round they lost to a powerful Ohio U. team by one point 65-64. Flora hit 20 points and Nichols 15, while Hess tallied 14. Hess also pulled down 18 rebounds. The Blue lost another heartbreaker the next day as they bowed to Southern Illinois in the consolation game 69-66. Illinois led 40-29 at the half and the Blue could never catch up. Flora again led all scorers with 27 points and Gene Girard was next with 15 points. On January 2nd the W & L five met Morehead State Teachers College and lost 103-59. The Kentucky club proved to be too tall for the Generals as they had three starters over 6'7", the club pulled down 98 rebounds. Flora hit for 26 points for W & L. The Blue and White closed out their road trip in Morgantown on January 4th, bowing to West Virginia for the second time 100-71. The Mountaineers had an easy time in the second meeting despite Frank Hess who tallied 19 points and Flora who hit 18.
Returning home the tired Generals bowed to Davidson 84-63 in a disappointing game. Flora piled in 33 points but the Wildcats controlled both back boards and won the game. The team finally broke their ten-game losing streak by topping Randolph-Macon 73-54 at Ashland Va. Flora broke the 2,000 point mark in the game with the Yellow Jackets. At that point Flora was fourth in the nation in scoring for the season. The club then made it two in a row as they turned on Hampden-Sydney, another Mason-Dixon Conference team, and dropped them easily 81-53. Flora and Flopa turned in good offensive play and Girard proved to be an asset under the boards.

Virginia Tech then blasted W & L 96-60 as Jitterbug Gilbert and Chris Smith, VPI's freshmen, proved to be too much for the Blue. Once again the Generals failed to control the boards and lost to a taller club. The VPI freshmen forward Bob Ayersman led both teams in scoring with 29 points. The Generals found Roanoke College much easier as they hammered them 90-51. Flora hit 27 points but sat out most of the second half. Hess hit 15 points and Girard 12. Roanoke had been ranked as one of the top clubs in the “Little Eight” that season.

The W & L club then began a road trip through the Carolinas where they were to play key games with Davidson and The Citadel. These were must games for the Blue, they had to win to have a chance for the SC Tourney. The Generals got back at Davidson on Friday at they stopped them 61-55 with Dom Flopa leading the way. Flora's 28 points, including the last 6 to ice the game with driving lay-ups. Gene Girard was second in scoring and the club was aided greatly by the return
of Jack Daughtery who played a fine game under the boards at forward for the Blue. On Saturday night W & L knocked The Citadel out of second place in the conference standings by tripping them 74-58. The Blue and White hit on 52.8 per cent of their shots. Flora scored 27 points and Lassman, Nichols and Hoos all hit double figures. The club had won three in a row on the road, their longest winning streak of the year, and hoped to make it four as they met VPI in Doremus Gym. W & L did. It again however, as Ayersman and Gilbert scored 19 points each and Smith hit 17. Tech won handily 78-64. Flora with an assortment of long shots and drives, led both teams in scoring with 24 points but it wasn’t enough. Tech outshot W & L 46 per cent—35 and led in rebounds 60-41.

The Generals then travelled to Williamsburg, Virginia, where they met the Indians of William and Mary. Don Engellan and Roy Lange sparked W & M in their 88-72 win over the Generals. Flora once again led all scorers with 27 points and was aided by Hoos with 14 and Lassman with 15 points. Rebounding was again the leading factor in the game as W & M pulled down 54 rebounds to only 24 for W & L. The score tied several times during the contest but the Generals could never build up a lead on the determined Indians. This young club upset both VPI and George Washington to gain the finals of the SC tourney before bowing to West Virginia. On Saturday night the Generals met Richmond in a do or die game. The club bowed to Richmond by one point as Spider freshman Red Bookor calmly sank two free throws to win the game with 14 seconds remaining. The sole bright spot of the evening was the brilliant play of Dom Flora, who established a new state collegiate scoring record as he dumped in 32 points to tie Richmond’s Dutch Lambrecht for scoring honors.

The Generals hopes of making the tournament looked slim indeed as they faced second place George Washington in Doremus Gym in their last home game of the year. For Flora, Hoos and Nichols it would be their last game before a home crowd and they made it a good one as the W & L five displayed their old form in blasting the stunned Colonials, 81-70. Flora tallied 29 points and Frank Hoos hit for 22. Bucky McDonald of GW led the scorers with 31 points for the evening. The Blue led 23-29 at the half and never gave up the lead. The Generals hopes for the eighth place spot in the Southern Conference were shattered however as Furman upset The Citadel to edge out the Blue and White for the tourney berth. It was the first time in three years that the Generals were not represented in the Richmond tourney.

Washington and Lee ended the basketball season bowing to a strong Villanova team 74-46 at the Palatine in Philadelphia. The Generals led for a short time in the first period but then fell behind and failed to regain their starting form. Flora lost the Blue in their last outing hitting 13 points. Jack Daughtery broke his ankle in the last seconds of the game.

Coach Weenie Miller hopes to better the team’s record next season despite the losses of such stars as Dom Flora and Southern Conference second team center Frank Hoos. The team played fine during the year but lack of height and a really good big man hurt the team.
Dick Moore, Coach Gene Corrigan, Co-captains Dick Whiteford and Tom Moore.

Washington and Lee's lacrosse team posted a 7 and 5 record for the 1957 season, facing one of the toughest schedules in the nation. During the campaign the Generals racked up a total of 119 goals to their opponents 91, the best offensive showing in the sport's eleven year history here at school.

Opening the season against a team from the Ivy League, the Generals displayed a potent scoring punch in defeating Williams College, 12-4. Led by Dick Whiteford with four goals and Sam Merrick with three, the team had little difficulty in registering their first win of the season. Traveling to Baltimore for their spring vacation, the stickmen trounced Loyola College, 19-8, displaying three aggressive midfields and a sharp-shooting attack that accounted for 13 of the 19 goals.

Against a highly regarded Dartmouth College ten, the Generals again prevailed as they won by a score of 11 to 6. The Generals were hard pressed in the second half by the body-checking Indians from the North but the fine defensive play of Chuck Crawford, Sage Lyons, and Tom Moore along with 19 fine saves by goalie Lewis helped the Generals to run their win streak to three games. Two days later, the stickmen traveled to the University of Delaware where they engaged the "Blue Hens" in a driving rain, literally trampling their opponents by the score of 15-2.

Playing their fourth game in six days, the Generals ran into their first real competition of the season in a big, tough team from Hofstra College on Long Island. Coached by Baltimorean Howdy Myers and always highly touted in lacrosse circles, the "Flying Dutchmen" ended the Generals four game winning streak, 9-4. Only the fine defensive work of goalie Jimmy Lewis was outstanding as the Generals failed to get their high-scoring offense moving.

Against Colgate, defending Class C champions, the Generals scored 12 goals while limiting their opposition to 3; thanks to the fine work of Lewis who had 22 saves for the day, Nichols scored five goals to run his total for the season to 26.

On April 20, the club faced their toughest foe of the season in a strong and talented team from Johns Hopkins. Always a lacrosse power, the "Blue Jays" racked up a 15-7
score against the Blue and White stickmen at Wilson Field. The boys from Baltimore displayed a flashy and potent attack and only the beautiful play of Jimmy Lewis, who had 29 saves for the afternoon, kept the score from being higher.

Following their second loss, the Blue made their annual journey to Duke University where they trounced "Blue Devils," 11-4. Dick Moore with a goal and three assists and Sam Merrick with two goals led the W & L offense which saw ten Generals break into the scoring column. On May 4, the stickmen traveled to Chestertown, Maryland, where they had to come from behind in the fourth quarter to win their seventh game of the season, defeating a strong Washington College team led by All-American Joe Seivold, 11-7. Dick Moore strengthened his bid for All-American honors as he played his best game of the season, leading both teams in scoring with four goals and three assists. Sam Merrick had three goals followed by Whiteford, Charles, Horst, and Michels with one goal apiece.

Facing the mighty Terps of Maryland, the Generals could not get their attack rolling as they were limited to 3 goals while Maryland tossed in 13. Jimmy Lewis had a busy afternoon as he made 21 saves. In their next game the Blue and White made their bid for the Class B championship only to lose to a powerful team from the University of Baltimore, 13-8. The score was no indication of the battle that the Generals put up, for they led at the half, 7-6. But an offensive outburst by B.U. resulting in five goals in the first few minutes of the third quarter was the margin of victory as the stickmen fought for a victory.

Against arch-rival Virginia, the club played a game that was reminiscent of the past three years. Letting the Wahoos take the lead in the first half, the stickmen looked shoddy and unsure of themselves. But in the third quarter, they scored four goals and went on to tie up the game in the fourth quarter, 6-6. But it was the old story again as the Wahoos went on to score another goal on the extra-man play to make the final score 7-6. Only the outstanding play of the Cavaliers' goalie kept the Blue and White from winning their first contest in many years from the Wahoos, for we completely dominated the second-half play.

In summing up the season, much credit should be given to Jimmy Lewis who was outstanding in the goal making 220 saves during the season. He was elected captain of the 1958 squad. Dick Moore led the Generals offense as he scored 19 goals and assisted on 39 others; he and Dick Whiteford were awarded the Wheelright Memorial trophy as the team's outstanding players. Sam Merrick scored 22 goals, a high in that department. Much credit must also be given to the fine defensive performances turned in by Tom Moore, Sage Lyons, Chuck Crawford, and Chuck Corn.

All-American recognition went to Jimmy Lewis, Dick Moore, and Tom Moore. Both the Moore brothers and Dick Whiteford were honored by being chosen to play for the south in the annual North-South game held in Baltimore in June, which the North won.
Co-captain Dick Belden, Coach McCann, and Co-captain John Alford.

When baseball season opened Coach Billy McCann was greeted with a sizeable list of returning lettermen. Forming the nucleus of the returnees were co-captains John Alford and Dick Belden and hard-hitters Jack Daughtrey and Cal Couch. To go along with these were infielders Charlie Broll, Dom Flora, Frank Hoopes, and John Turner and hurlers Joe Amato and Joe Knakal.

The Generals opened the season with a six-game southern road trip during spring vacation, meeting North Carolina, the Paris Island Marines in three encounters, and the Citadel in a pair of Southern Conference games, capturing one of their three games with UNC and the Citadel.

In their first home game the Generals' baseballers almost pulled a Cinderella-type victory over the hard-hitting Michigan team but a little wildness gave the Wolverines a 9-5 victory. Charley Broll only gave up three hits but twelve walks were the difference. W & L got nine hits, three by Coach and two each by Alford and Tom Moore.

Against VPI Joe Knakal became the second pitcher in a row to go nine innings, holding Tech to 3 hits and striking out four, but the Techmen capitalized on six General errors for a 4-2 victory. Dave Kuhn, Knakal's mound opponent, was just as stingy giving the Generals only four hits while walking two and striking out eleven.

After two close home setbacks the Generals moved on to Richmond and Williamsburg where they absorbed losses at the hands of the University of Richmond 10-1 and William and Mary 4-2. The only General tally against the Spiders came in the first inning when Tom Moore drove Cal Couch home from third with a single to left field. Charley Broll...
was the victim of a Richmond batting in the seventh inning and had to be relieved by Dom Flora. As usual the opposition was held to only five hits, but W&L was charged with 7 errors. Against William and Mary, W&L held on to a 1-0 lead until the fourth inning when the Indians gathered all four of their runs. Joe Knakal took the loss for the Blue and White.

The first win since spring vacation was registered against Davidson in the second game of a two-game series. The first game was a 2-1 loss to the North Carolina visitors in a tight pitcher's duel. The second game turned out to be just the opposite as the two teams pounded each other for a total of 33 hits with the Generals coming out on the long end of a 14-9 score. The first game marked Jack Daughtrey's first appearance, as he started against the Wildcats and held them to only two runs, but a ninth inning rally by W&L fell short by one run. The second game was entirely different. The Generals' Joe Knakal pitched a 13-hit game and won in contrast to his earlier 3-hit losses. The outcome of the game was never really in doubt as the Generals held a 12-1 lead before the Wildcats moved at all. Every man in the starting lineup got a hit with John Alford's 5 for 5 leading the way.

The Generals came away from their next outing 13-0 behind George Washington. Dom Flora suffered the loss. The team made up for their poor showing by turning the tables on Richmond 6-2 at Wilson Field with Knakal picking up his third victory.

Despite a three-run homer by Flora, W&L dropped an 8-6 decision to William and Mary, who pushed across two runs in the eighth inning.

The Generals finally began a winning streak with a 4-3 victory over VPI, a 5-2 victory over Virginia and an 11-2 victory over Hampden-Sydney. The big batters for the week were Charlie Broll hitting a .400 clip, John Turner .583, and Flora, who picked up the UV victory for his first win, .461. In a return engagement with the Wahooks the moundmen came out on the short end of a 6-4 decision. Frank Hoopes was the only bright spot with a pair of singles and 3 runs batted in.

A two-game winning series with Lynchburg closed out the season with a 9 and 10 record. The first game was won 6-2 and the second was taken 5-3. This was an improvement over the previous year's 6 and 13 record.
wrestling

Washington and Lee's wrestling team entered its 1957-58 season with a nucleus of eight returning lettermen having lost only two lettermen from last year's team. The predominantly underclass team turned in a 2-8 record for the season.

The season was opened with powerful North Carolina's invasion of Lexington, who emerged with a 13-11 victory over the Generals. Dennis Patton and freshman Tony Brennan came through with easy victories for W&L. Gil Holland sparked a General comeback from the Tarheel defeat in decisioning Gallaudet College 15-13.

The next three engagements on the mats were not so successful. W&L dropped meets with Franklin and Marshall, Virginia, and VPI. Co-captain John Hollister and Gil Holland provided consistent winning performances in these meets. VPI's 30-6 victory resulted in an extension of their twenty-four match winning streak.

The matmen journeyed to Durham, North Carolina, and dropped a 15-9 decision to Duke. Patton was the highlight of the outing for W&L. He turned in an easy 13-4 mat score over his opponent. West Virginia invaded Lexington with an unusually powerful squad containing two Southern Conference champions and defeated the Generals by a score of...
Dick Miller stated that West Virginia had one of the strongest contingents that he has faced in his years as wrestling coach.

Turning from their previous defeats, W&L bettered Wake Forest 29-5 at Winston-Salem, North Carolina. Hollister turned in a sterling performance in pinning his opponent. He again turned in a superb bout against the Citadel, which handed W&L a 21-11 setback.

In one of the closest matches of the season, W&L was defeated by Davidson 18-14. Patton turned in a 7-0 victory over his rival, while Dave Pitard outpointed his opponent 7-3. Thus ended the season’s regular schedule.

With the advent of the Southern Conference meet here in Lexington, VPI was favored to capture tourney honors. VPI took the meet, and W&L placed fifth. Gil Holland turned in a fine performance and gained the finals in the 177-pound division, where he was finally stopped. Dave Pitard was defeated in the 137-pound consolation round. John Hollister’s overtime match proved a close loss in the early phase of the tournament. Dennis Patton lost to Glover of VPI who went on to win the conference’s 130-pound championship.

With the loss of such mainstays as Holland and Hollister, W&L must face a rebuilding program which is severely weak in the heavier divisions. W&L should prove to be a power in the lighter divisions during the coming year with a returning team backbone composed of sophomores and juniors.
soccer

Fielding a team which had more than its share of freshmen, Coach Gene Corrigan’s soccer team turned in a season’s performance that was very much to its credit. Apparently lacking depth, the Blue and White boosters recorded triumphs over such teams as Randolph-Macon, Davidson, Georgetown University, and Duke.

The Generals began their season, which was to end with a record of five wins as against four losses, by overpowering an aggressively rugged Randolph-Macon team 2-0. Freshman Blakeslee, Harrison, Gunn, Bartels, and Rutherford wasted little time in showing their potential worth. With about seven minutes remaining before half time, W & L’s Charlie Crocker booted a 30-yard kick which was stopped by the Macon goalie. On his second attempt, Crocker’s boot pulled the goalie out of the goal. Alfred Harrison came up from the right and sent the ball past the reach of the Randolph-Macon goalie. This put the Generals ahead at intermission.

In the first half, goalie Jack Blakeslee was credited with six saves. Gunn and Bartels out-booted the opposition throughout the game. Captain Warren Nuesle’s second half goal rounded out the General’s shutout.

After losses to Davidson and Lynchburg and a tie with
Roanoke College, Washington and Lee came back to trounce Frostburg College 5-1. Paul Rutherford, the freshman center-forward, led the breakthrough in the third quarter which led to the one-sided score. In the Frostburg game, while the offense was clicking, the defensive efforts of Skip Rohnke and Jack Blakeslee prevented the opposition from capitalizing on the large amount of action which went on around the Blue and White's goal.

The game which stands as the season's high spot, however, is the game played against Duke University's powerful eleven. Always an outstanding team, and a tough one to beat, the Duke team has always managed to come out on the long end of the score in their games with the Generals.

English exchange student Alfred Harrison took complete control of the scoring as he booted in two goals for the Washington and Lee team. The game ended with the score 2-1 in favor of the Generals. Rock Gaut and Warren Nuesse turned in outstanding performances which greatly aided the Blue and White cause.

On Parent's Day, the W & L team took the field to avenge an earlier defeat at the hands of the Davidson Wildcats. With the aid of some fine defensive work by Blakeslee and Rohnke, the Blue and White managed to turn the tables on an improved Davidson team.

One of the strongest teams which the Generals faced this season came from College Park. Although the University of Maryland defeated the Generals in their final game, the contest was well played.

W & L drew first blood in the match when forward Rutherford scored a first period goal. Maryland came back in the second period with three straight goals. The score at the half was 3-2, Maryland.

The Generals controlled the game in the third period, but in the fourth the Terrapins came to life and scored another goal to send them ahead 4-2.
cross country

Washington and Lee's young and relatively inexperienced cross-country team, plagued by flu and injuries, compiled a rather mediocre 2-5 record for the 1957 season.

The harriers opened the season with a trip to Morgantown, West Virginia, where they met a powerful West Virginia University squad and were defeated, 15-44. Coach Dick Miller's Generals bounced back on October 19 by trouncing Randolph-Macon at Ashland, 20-41.

Richmond provided the opposition for the Generals in their first home appearance and started them on a four meet losing streak with a 21-35 victory. Successful losses to Virginia and Lynchburg followed in which Bill Loeffler's fourth and fifth place finishes prevented General shutouts. On November 6 the harriers placed last in a triangular meet with VMI and Davidson, which was won by VMI.

On November 11 the Virginia Big Six Meet was held at W&L. William and Mary's perennial powerhouse took first place honors with a low score of 31 points while W & L finished fifth with 133.

Hampton-Sydney was defeated on November 13 as the Generals claimed their second and final victory of the season. The season was completed on November 18 at Morgantown with the Southern Conference Championships. William and Mary again emerged victorious as W & L finished sixth with 169 points.

This year's squad was composed almost entirely of freshmen and sophomores and should provide some rugged competition for conference opponents in future years. Captain Steve Coates was kept out of the early meets by the flu but was a tremendous asset to the team in the latter part of the season. Bill Loeffler was the team's top runner for most of the season but was pushed closest by sophomore John Pleasant and freshman Holt Merchant, who came on fast at the end of the season. Sophomore Ashley Morton and freshman Al Broaddus placed high in most of the meets while freshmen Ned Ames and Marshall Gottsegen and senior Rudy Aukschun provided extra depth.

Coach Cy Twombly and Captain Don Duncan.

swimming

The W&L tank men posted almost the identical record this year as they did in their highly successful year of 1957 by sweeping seven of their eight dual meets, giving them a two-year record of 15 wins and 2 losses. The season opened with an easy victory over lightly regarded Roanoke College. Five days later the Generals, with their added depth in free stylers, were forced to go to the final 400-yd. free style relay before nipping the University of Virginia by nine points.

Before taking a break for the Christmas vacation the swimmers disposed of both Catholic University and Davidson at home. Outstanding performances were turned in by Chuck Springer in the butterfly and conventional, Skip Rohnke, last year's Southern Conference 50-yd. swim champ, and outstanding freshman backstroker Pete Peterson.

Returning from their Christmas rest the Generals found themselves in good form while trouncing West Virginia; but in their next outing found the going rough as they dropped their only dual meet in a hard-fought encounter with powerful VPI.

After losing to VPI and taking a break for semester exams, the team took to the road for a lopsided victory over Lynchburg College. Following this victory was a close win over William and Mary at Williamsburg. The meet was clinched by the strong relay team of Peterson, Rohnke, Alan Osher, and Charlie Smith in the last event. Art Blank ended the dual meet season with his eighth straight diving win for this season and 16 wins out of 17 starts over the last two seasons, including last year's Southern Conference Championship.

Although the team had few returning lettermen it was ably captained by three year letterman Don Duncan. Also giving added strength were newcomers Jerry Parker, Maurice Purcell, Eddie Meyers, Don Wagenheim, Charlie Smith, and Pete Peterson.

New school records were set by Rohnke in the 100, who did it in 55.8, breaking the old record of 54, which had stood for 17 years, and by Peterson, who turned in a 2:20.3 for the 200-yd. backstroke. Art Blank also broke his own diving record by scoring 200.5 points.

First Row left to right: Myers, Willes, Bigelow, Osher, Blank, Sproul. Second Row: Parker, Smith, Springer, Rohnke, Peterson, Hume, Gonsolin, O'Hea (Mgr.)
Washington and Lee's Golf team enjoyed one of its most successful seasons in recent years, suffering one defeat, a close 5 to 4 decision to VPI, while winning four other dual meets over Lynchburg College, William and Mary, Richmond and George Washington University.

The Generals also played well in the three tournaments in which they participated. Their best showing was a strong second place in the White Sulphur College Tournament, losing only to a powerful Northern Illinois squad, while finishing ahead of Colgate, George Washington, and Denison.

The golfers finished third to George Washington and Furman in a field of nine teams that entered the Southern Conference tournament at Danville. The Generals also took third place in the State Intercollegiate tournament at Hot Springs, being bettered by Virginia and VPI.

In compiling its fine 4-1 record, the Blue and White received commendable performances from each of its seven lettermen. Captain Teddy Kerr lost only one dual match in five. He also finished third in both the Southern Conference and State Tournaments in a battle for individual honors. For his consistently fine performance throughout the season, he was awarded the Felix Smart Memorial Trophy.

The Generals also received outstanding performances from its members: Ned Baber, Dick Vedder, Charles McCormick, Ollie Cook, Don Farris, and Dee Penick.

W & L's number one man, Baber, finished second in the State tournament and third at White Sulphur Springs, while McCormick saved the George Washington match with a dramatic one-up victory on the twenty-first hole.

Next season the Blue and White team will greatly miss the services of two tough competitors, Teddy Kerr and Don Farris. These shoes will be hard to fill, but coach Cy Twombly is hopeful it can be done.
The W. & L. tennis team opened its 1957 season with an overwhelming 8-1 victory over Virginia Tech. The pace was set by Peale, Glauser, and Hurt who sped through their matches without dropping a single set. Keeping up with this pace were the doubles men who won all the doubles matches. Stuart and Hurt, Gowenlock and Glauser, Dubois and Glaser teamed up in the doubles to finish the day of victories.

After a fast start, the Generals lost their next four matches as the team slumped into its only losing streak of the season. Colgate took W. & L. 6-3, and this defeat was followed by Illinois' smashing victory of 9-0. The netmen suffered their third straight defeat by falling before Maryland 7-2.

After a heartbreaking defeat of 5-4 by William and Mary, the Generals took vengeance by beating Richmond 5-4. Glauser, Hurt, and Glaser, the number 3, 5, and 6 men respectively, scored the wins in the singles against Richmond. Following the singles, Glauser and Gowenlock, Glaser and Dubois teamed up to take the doubles. By this time, George Stuart had stepped into the number one position and qualified for the Southern Conference match at Davidson.

The Generals closed their season with a 6-2 victory over VPI. The singles men showed excellent form, and the powerful pair of Dubois and Glauser took the only doubles win. The Generals closed their season with a win-loss record of 4-6. Coach Chipley expects to have an unusually successful season in 1958.
The 1957 Washington and Lee track team, led by Captain Al Platt, had a fairly successful season considering its lack of depth and strong competition. The Generals compiled a record of two wins and three losses in the season’s dual meets and finished last in one triangular meet. The H.okies were last in the annual Big Six meet and placed seventh in the Southern Conference meet, edging out Furman and Citadel.

Coach Norm Lord’s Cinderella’s were encouraged in their first outing by triumphing Elion College 90 to 44. Following the victory, the Generals lost a close one to Lynchburg College, 63 to 59. After losing to George-town in a triangular meet at the University of Richmond, the cinder runners journeyed to Davidson, where they were handed their worst defeat of the season, 83 to 48. The Generals took revenge for this drubbing by running over the poor Randolph-Macon Tigers 78 to 52. The last dual meet of the season was lost to Hampden-Sydney, 69 to 61 at 60 1/2. The only consolation Washington and Lee had in the Big Six clash was freshman Skip Rohnke’s javelin throw of 174 10", which won him second place. Al Platt heaved the shot 45 8" to capture the third slot in his specialty.

Coach Norm Lord’s Cinderella’s were encouraged in their first outing by triumphing Elion College 90 to 44. Following the victory, the Generals lost a close one to Lynchburg College, 63 to 59. After losing to George-town in a triangular meet at the University of Richmond, the cinder runners journeyed to Davidson, where they were handed their worst defeat of the season, 83 to 48. The Generals took revenge for this drubbing by running over the poor Randolph-Macon Tigers 78 to 52. The last dual meet of the season was lost to Hampden-Sydney, 69 to 61 at 60 1/2. The only consolation Washington and Lee had in the Big Six clash was freshman Skip Rohnke’s javelin throw of 174 10", which won him second place. Al Platt heaved the shot 45 8" to capture the third slot in his specialty. Rohnke again compensated for the team’s poor showing in the Southern Conference meet by hurling the javelin 189 1/4", to set a new Southern Conference and school record.

The team was especially weak in the middle distances and in the relay, but several outstanding men took up the slack in other events. Skipper Alex Platt was the leading scorer with 305 points. He beat his previous year’s records in the shot and discus with respective throws of 45 8" and 139 5". Close behind Platt with 47 points was sprinter Guru Girard, who placed frequently in the 100 and 220-yard dashes. Art Warner collected 46 1/3 points by his fine performances in the high and low hurdles, the broad jump, and the high jump. Skip Rohnke was no small asset to the squad with his spear, while Dick Sherrington paced consistently in the mile and half mile. Coach Lord is optimistic about the 1958 season, provided that he will have last year’s material on which to build.
Finishing the 1957-58 season with only three losses, the Washington and Lee Rifle Team chalked up an impressive 10-3 record. One of the losses was to V.P.I., and the other two were to V.M.I., both rifle powers.

The Southern Conference Rifle Tournament saw the Blue and White team fall before the powerful West Virginia, Citadel, and Virginia Tech teams.

Dick Miller, a rising senior, shot an outstanding 294 in the Southern Conference. Among the ten high individual scores, this was sufficient to earn Miller the seventh place medal. Miller ended the season as top man with a 278 average.

Seniors and co-captains, Dave Owen and Avery Juhring, ended their final season with the W & L marksmen with 277.2 and a 276.0 average, respectively.

During the regular season, wins were scored over such schools as William and Mary, George Washington, Wake Forest, and the University of Pittsburgh. Before the regular season got under way, however, the Generals' Owen, Miller, and Juhring participated in a tournament in High Point, North Carolina, where they finished in second place.

Not only do the prospects look good for the 1958-59 season, with the many returning lettermen on the varsity, but thanks to a well-organized junior varsity team, next year's season should be that much more successful.

The greatest loss will not, however, be registered in the graduation of the seniors, but in the transfer of coach M/Sgt. John M. Jones. It was Jones' ability and leadership which greatly aided the Generals in turning in such a fine season.

Yokley, Zoning Law & Practice, 2 Vols.: 30.00
Karcher, Handbook on Parliamentary Law: 3.50

BUILT ON QUALITY BOOKS

We, the largest law publishers in the south, have built our reputation on legal publications of outstanding editorial quality, on fine workmanship in printing and binding, and on a prompt and personal service to thousands of valued customers.

No better example of mental and physical workmanship in a legal publication can be found than:

MICHE'S JURISPRUDENCE OF VIRGINIA AND WEST VIRGINIA

(24 Vols: $420.00)

It contains all the law of Virginia and West Virginia in a concise, accurate, readable form; and is truly the culmination of sixty years of experience in legal writing and publication.

Our Virginia representative, Mr. Durwood B. Wheeler, 4207 Chamberlayne Ave., Apt. 4, Richmond 27, Va., Phone Elgin 9-0397, will gladly demonstrate, on appointment, the features of this great set of books.
