The Washington and Lee Swing

Come cheer for Washington and Lee
We're going to win another victory.
The White and Blue we will ever wave in triumph
For the University. Rah! Rah! Rah!
Fight to the finish, we are with you,
Break through the line on every play,
Rush the ball on down the field,
And we will win this game today

When Washington and Lee's men fall in line,
We're going to win again another time.
For W & L, I yell, I yell, I yell.
And for the University I yell, I yell,
And we will fight, fight, fight for every yard,
Circle the ends and hit the line right hard,
And we will roll old Sweet Briar on the sod.
Rahl Rahl Rah!
DEDICATION

Dr. Goulling and Dr. Phillips conferring on a University matter.

DR. CHARLES F. PHILLIPS
To Two Friends and Teachers
Who Symbolize the Spirit
Of The W. & L. Swing

DR. SIDNEY M. B. COULLING

DR. CHARLES F. PHILLIPS, Jr.

Just as the Washington and Lee Swing has represented the progressive course that our University has pursued during the past few years, so have two of the younger members of the Faculty become symbolic of this pervading attitude. Both of these men are endowed with active and inquiring minds and have established reputations for demanding academic excellence. Both have distinguished themselves for their fairness, friendship, encouragement, and the fact that their offices are always open for counsel and advice. Both are energetic and ambitious and are presently engaged in active research. In short, we look upon these two men—our contemporaries in spirit—as symptomatic of the driving force here at Washington and Lee, and it is with deep respect and gratitude that we dedicate this 1962 Calyx to SIDNEY M. B. COULLING and CHARLES F. PHILLIPS, JR.

President of the University

DR. FRED CARRINGTON COLE

Dr. Fred Carrington Cole was formally installed as president of Washington and Lee University on May 7, 1960. He assumed the duties of the office on September 1, 1959, succeeding Dr. Francis P. Gaines, who had served as president since 1930. The announcement of President Cole's selection as Dr. Gaines' successor was made by the University's Board of Trustees on June 11, 1959.

President Cole came to Washington and Lee from Tulane University where he had served as academic vice-president since 1951. He joined the Tulane faculty in 1916 as an associate professor of history; in 1947, he was promoted to full professor and named dean of the college of arts and sciences.

A scholar of southern history, President Cole received his A.B., M.A., and Ph.D. degrees from Louisiana State University in 1931, 1936, and 1941 respectively. While at L.S.U. he served as editorial associate of the Journal of Southern History from 1936-41, and managing editor from 1941-42. He also served as co-editor of the Southern Biography Series and history editor of the Louisiana State University Press.

During World War II he was a gunnery officer in the Navy, and saw extensive sea duty before being placed in charge of the revision of the "manual of the medical department" for the Navy. After active military duty, President Cole served as an editor, writer, and historian for the Air Force for a year.

He has served on various boards and councils: the Southern Regional Educational Board, the Fund for the Advancement of Education, the Ford Motor Company Scholarship Program, and special consultant to the Ford Foundation in New York City.

Since coming to Washington and Lee, President Cole has been named a trustee of the College Entrance Examination Board and a member of a special study committee of the College Art Association of America.

Washington and Lee University is indeed fortunate to have such a man as Dr. Cole as its president; for in him are combined the best qualities of educator, scholar and administrator, and it is with him that Washington and Lee will progress during the coming years.

The Debate Team's purpose is to acquaint its members with the principles of argumentation and to give them experience in oral discourse in competitive situations with other colleges and universities. Membership in the Debate Team is open to all undergraduate students enrolled at Washington and Lee. The University does not have a set debate team, yet the policy of the University is to give all students interested in debating, experience, regardless of ability. The team enters from ten to fifteen tournaments a year, ranging from Cambridge, Mass., to Columbia, South Carolina. Approximately forty members have taken part in these activities this school year.

The University Christian Association is a complement to the churches and church organizations in the community. Its purpose is not merely religious but moreover social and intellectual. The group sponsors speakers, discussion groups, and seminars. In conjunction with the Lexington Welfare Board, the group is active in social and community activities. The purpose is to broaden the outlook and understanding of the members as well as to be of service to others.

Christian Council
The Glee Club is composed of men who enjoy singing together for their own entertainment and that of others. Members are chosen at auditions held every fall for the freshman class. The Club participates in joint concerts with the neighboring girls' school choirs and gives other concerts in Lexington and in the area. Each spring an extensive tour to major Southern and Eastern cities is planned, the 1962 tour going to the Washington area.

'13' Club

The "13" Club is an honorary junior society. Thirteen members of the junior class are chosen each fall by the senior members of the club and are initiated thirteen days later on Homecoming Day. The unpredictable displays put on by the new members at the half time of the Homecomings game have become another of W&L's numerous traditions.
Basically a social organization, the Mongolian Minks also hold an annual outing on the football field in order to display their colorful antics. Aside from the annual Homecoming display of the Minks, the members also gather from time to time to discuss various issues in an atmosphere of conviviality and social grace which is unequalled on the campus.

"... Will Ever Wave In Triumph"
Honorary Fraternities
Phi Beta Kappa

Phi Beta Kappa, the oldest Greek-letter fraternity in the United States, is a national honorary fraternity which recognizes outstanding scholarship. Membership in this society has long been one of the highest academic distinctions attainable. Qualifications for membership are based on high scholarship, liberal culture, and good character. Each graduating class is considered by itself and each individual is judged on his own merits, with election not being based on any fixed percentage of the class.

SCHOLARSHIP
Omicron Delta Kappa, national honorary leadership fraternity, was founded at Washington and Lee University in 1914 by a small group of students. Among these founding students was Rupert V. Latture, professor of political science. Today Omicron Delta Kappa has chapters at most of the leading universities and colleges in the nation. Guest speaker at this year's ODK Tap Ceremony was Dr. Joseph C. Roberts, professor of history at the University of Richmond and former president of Hampden-Sydney College.

LEADERSHIP
Phi Eta Sigma is a national scholastic honorary fraternity, its purpose being to recognize freshmen who have shown proficiency in the field of scholarship. Each year, all freshmen who make an overall grade point ratio of 2.5 or better out of a possible 3.0 during their first semester at Washington and Lee are eligible for initiation. A banquet initiation is held every February to honor the newly elected members.

Alpha Rho Chapter
Established 1856 - Founded at Miami University, 1839

Alpha Rho Chapter of Beta Theta Pi was founded on the Washington College campus in 1856, but the fraternity closed with the College at the advent of the Civil War. The chapter was reactivated in 1876 and again in 1921, when it became Alpha Rho.

The highest organ of student body government, the Executive Committee, has the service of Buck Ogilvie as representative of the sophomore class. Pearce Hardwick is vice-president of the senior class, editor of the Freshman Handbook, a member of Phi Eta Sigma, and listed in Who’s Who in American Colleges and Universities. Charles McCord, last year’s sophomore EG representative, was president of Spring Dances and active with the Debate Team and the Cotillion Club. Senior Grantham Couch, the president of Alpha Rho, was chairman of the University Party.

Junior Bill Boardman led the Debate Team as captain to the Virginia State Championship and was elected president of Tau Kappa Alpha, the national honorary debate fraternity. Boardman is also historian of the junior class as well as the advertising manager of the Calyx. Buck Ogilvie was organizational editor of the yearbook, and John Madison wasfraternity editor of the same publication. Elmo Markham was news editor of the Tuesday Ring-Tum Phi and a member of the Assimilation Committee. Steve Parel held a position on the Library Committee.

The Betas were represented excellently in scholastic achievements as George Craddock, Bill Wilkinson, Jim Hales, Pearce Hardwick, and Charles McCord made the Dean’s List. Sophomore Buck Ogilvie was on the Honor Roll and named the Outstanding ROTC Cadet in his class.

In the realm of athletics, Buck Ogilvie, John Madison, Dan Flournoy, Steve Davenport, and Tommy Goodwin were on the Varsity football team. Guard Tommy Goodwin was named to the small college All-State Team and won the award as the outstanding player in the Homecoming game. Betas John MendeIand Andy Conroy were on the swimming team, while Grantham Couch was captain of the golf team.

Besides being prominent in campus activities, the Betas are a fraternity in the truest sense. Genuine fellowship exists among the group. This sincere atmosphere is aided greatly by the Beta housemother, Mrs. Davis Martin. “Mom” is always remembered in the hearts of her boys, and in her sixteen years with the fraternity, has never failed to give the Betas the warmest understanding and consideration.

Phi Chapter

Established 1896  •  Founded at Bethany College, 1849

Phi Chapter of Delta Tau Delta was established at Washington and Lee in 1896 just 17 years after the Fraternity's inception at Bethany College, West Virginia. Nationally Delta Tau Delta is one of the ten largest social fraternities, and on campus Phi Chapter has continually been among the leaders.

During 1961-62 the Deltas reached into all phases of campus life and were active participants and leaders. Ursas McTear was president of the student body and Steve Suttle was secretary. Dave Montgomery was president of Opening's Dances which proved to be one of the finest dance sets many can remember. Bob Payne was vice-president of the junior class. Five Deltas were dormitory counselors: Terry Folks, Jerry Hyatt, Dave Montgomery, Bob Payne, and Ashley Willshire. Ned Hobbs was chairman of the Cold Check Committee and held the highest student office in the Reserve Officers' Training Corps. Other Deltas who were leaders in ROTC were Terry Folks, Billy Myers, Randy Butler, Jerry Hyatt, and George Hunt.

George Hunt was president of Pi Sigma Alpha and also on the Ring Tim. Phi staff. Bob Payne and Cotton Rawls were on the Calyx staff. Payne and Hyatt served on the Assimilation Committee. Several Deltas were active in the U.C.A., and four were members of the Glee Club. Willshire and Montgomery were in the Student Service Society.

In sports Deltas maintained their leadership. Eight Deltas were captains of varsity teams and Dan Manson was a captain of the freshman football team. Lead by tri-captains Steve Suttle, Ned Hobbs, and Barton Dick plus Little All-American Terry Folks, seventeen Deltas played varsity football. Four Deltas played soccer. During the winter Dave Crogan was outstanding in basketball, and five Deltas were on the swimming team. Dave Montgomery led the wrestling team which included several other Deltas. Captains Jim Hickey and George Cruger made the track team outstanding. Bill Wheeler and ten other Deltas contributed to the lacrosse team, while captain Ned Hobbs and pitcher Bruce Gamble led the baseball team. Wig Wiggins was in charge of the successful intramural program. Wes Pipes was a trainer and Mal Freeman was a cheerleader.

Socially the year was tops. Lead by social chairman Will Lee, the Deltas had good combos and fine parties.

Deltas appreciate more every day their house mother, Mrs. George Chaney. Dean James Farrar is the chapter adviser.

Washington & Lee Chapter
Established 1930 • Founded at Williams College, 1934

In the thirty-one years that Delta Epsilon has been at Washington and Lee, it has been and remains one of the leading fraternities on campus. Excellence in fraternal spirit, intramural and intercollegiate athletics, extra-curricular activities, and social functions have brought about this consistently high standard.

In accordance with our tradition of leadership, the DU's lead and participate in many various activities. Dave Beal is secretary of the senior class, Bill Young is secretary of the Interfraternity Council, Assimilation Committee, and photography editor of the *Southern Collegian*, besides being a member of the "13" Club. Another member of the "13" Club is Dave Fraser. Dave Beal is a member of Pi Alpha Nu and White Friars. Jim Stoll was chosen for the newly created Dance Board Advisory Council. Pete Noonan, Al Wyly and Pete Reynolds are on the staff of the *Southern Collegian*, Phil McCaleb is president of the Forensic Union and a member of the Debate Team.

Academically twelve brothers are on the Dean's List, two on the Honor Roll. George Missbach and Bill Young are in the Commerce Fraternity. Brother Auborn, Mason, and Young received Robert E. Lee Research Grants.

The DU's have a strong contingent on the staff of Radio Washington and Lee. Paul Gilbert is program director of *Emphasis Abroad*. He is ably assisted by Paul Fenn, Sam Ansell, Loy Rex, and Bob Patton. Bob is also a Home Edition announcer. Herb Sapp and Bryan Lane are in the Glee Club.

In sports the DU's furnish members for almost all W&L teams. DU's on the football team were Bob Dyer, Loy Rex, Joe Howson, Sam Preston, and Phil McCaleb. McCaleb was outstanding at defensive tackle, blocking two punts and being one of the team leaders in tackles. Brother Jon Starkey started for the varsity soccer team; Alan Wyly, Jim Head, and George Missbach are on the varsity rifle team with freshmen George Dunn, George Wadsworth, and Al Lannam. Brothers Phil McCaleb and Bill Young are on the track team and Ed Burdell and Bryan Lane play baseball. Brothers playing lacrosse are Sam Preston, John McCoo, and Pete Noonan.

The social season at DU has been most successful with the Isley Brothers, T.N.T., Trike, and Zeodites playing here.

DU is indebted to Professors Ragan and Latour for their unfailing guidance and leadership, and also its housemother, Mrs. Kay Langhorne.

Alpha Chapter
Established 1865 • Founded at Washington and Lee, 1865

The Kappa Alpha Order was founded in 1865 at Washington and Lee. Guided by the ideals and inspiration of Robert E. Lee, four men sitting around a table in what is now Robinson Hall created the "mother" chapter of the order. Since that time Kappa Alpha Order has grown and expanded until there are now over 80 active chapters in the United States. Here at Washington and Lee was the beginning of Kappa Alpha Order, which for thousands is now a way of life.

The brothers and pledges are now in the second year at the new house which used to be known as the "Reid White House." Through their striving and help of the alumni, it is now one of the most attractive houses here at W&L.

Kappa Alpha is well represented in all phases of campus life by its members. They are prominent in athletics, scholastics, and extra-curricular activities. In student government Roy Goodwin is the historian of the senior class as well as editor-in-chief of the Tuesday Edition of the Ringtum Phil. Goodwin is also on the battle group staff in the ROTC. Ed Croft is president of the sophomore class and on the Admission Committee and the Dance Board. Ken Greer, John Mullin, and Bill Ide are members of the Student War Memorial Scholarship Fund Committee. Mullin and Robin Norfleet are members of the Interfraternity Council.

Athletically, Alpha chapter is high on the list in intercollegiate contests. Ed Croft and Bob Henley are outstanding players on the football team. In wrestling Alpha is tops; Sandy Mercrean, a four year man, is captain; Herb Smith has a tremendous record; Mike Brumby, Sam Block, and Ken Greer are other standouts. Bill Ide and Brett Thompson are starters on the basketball squad; they are accompanied by Don Wallis and John White. On the freshman teams Bill Julian, Skipper Smith, Ashley Allen, Bill David, and Man Hubbard are stalwarts. Duke Terrell is a soccer player.

In W&L's social light Kappa Alpha ranks high; John Mullin serves as social chairman, Bill Ide and Mullin are members of the "13" Club, Frank Jones and Bill Suggs are Mongolian Minks and in the Cotillion Club, John White, Mason New, Roy Goodwin, and Robin Norfleet are all members of Sigma Mercrean is also a Mink.

Alpha chapter is indebted to its faculty adviser, Dr. E. W. Spencer, and to its gracious housemother, Mrs. J. M. Lewis, who makes the house a second home for the brothers.

Kappa Sigma concludes its 89th year on the Washington and Lee campus this spring with members of the brotherhood again assuming roles of leadership and active participation in a wide variety of University activities. Mu chapter of Kappa Sigma was founded at the University of Virginia. The Washington and Lee chapter is the third oldest in the United States and has always held a high position both in the national and among the other houses on campus.

This year was no exception, as the local chapter had many boys in all phases of campus activity. Dunlop Ecker was co-captain of the varsity soccer team, a freshman camp counselor, business manager of the Glee Club, and treasurer of the Commerce Fraternity. Al Carrian, who served as vice-president of the house and pledge trainer, held a Robert E. Lee Research Grant, was on the Cadet Battle Group Staff in ROTC, and was a member of Scabbard and Blade.

Steve Guild was executive news editor of the Ring-tum Phi, the producer of “Concert” on Radio W & L, and was a member of the Dance Board Advisory Council. Lance Tarrance was president of the International Relations Club this year and also held the position of assistant sports editor of the campus newspaper. Jim Sylvester was a member of the Student Control Committee, was a varsity tackle on the football team, and attained Honor Roll grades.

Other activities and honors which came to members of the house were the election of Rick Frisbie to Scabbard and Blade, George Madison and Brooks Brown were both members of the freshman basketball squad, and Brown was a member of the freshman football team. A place on the freshman wrestling team and attaining Honor Roll grades in his freshman year were achievements of Bo Jones. Ross Kyger was a member of the Dance Board Advisory Council.

Socially, the big event of the year was the annual Black and White Ball, along with several other house parties, including those at homecomings and Christmas.

This year marked the arrival of a new housemother to Mu Chapter—Mrs. L. L. Roane—to whom the Kappa Sigs owe much appreciation for all her help during the year. Professor Budford Stephenson again served capably in his capacity as alumni advisor to the chapter.

Gamma Phi Chapter

Established 1922 • Founded at Boston University, 1909

Lambda Chi Alpha was founded at Boston University in 1909 and grew rapidly into one of the largest fraternities in the nation. Its 151 chapters are scattered throughout much of the United States and Canada. Chapter, Gamma Phi, was founded at Washington and Lee forty years ago.

Lambda Chi's were very active in various campus organizations this year. Andy Leonard worked with the Troubadours for the third year playing leading parts in several plays. Bob Holland was Senior Editor of Thursday night Home Edition news program. Also active in student radio work were Bill Boyle, Lynn Hammond, and Rusty McNab. Bob Motley was associated with the literary magazine, Shenandoah, and John Dixon sang in the Glee Club. Richard McEnally and Al Eckes were on the Debate Team for a second year and were joined by freshmen Phil Bacon and Rick Kneipper.

Several members of the house were on varsity athletic teams. Ed Baker wrestled, and John Lackey was on the baseball team. Tom Bower, Jim Austin, and Tom Lewis were on the rifle team. Bob Turek was on the swimming team, and Ed West was on the freshman soccer team. Lambda Chi also fielded fine intramural teams under the direction of Andy Leonard.

We had another fine year socially with more and better parties. The climax of our social calendar was the annual Crescent Ball held in the spring.

Other house officers were: pledge trainer, Rusty McNab; rush chairman, George Coward; ritualist, Andy Leonard; social chairman, Steve Hancock; and L.E.C. representative, Richard McEnally.

Mrs. Jean B. Richardson did an excellent and greatly appreciated job this year as Lambda Chi's new housemother. Dr. Charles W. Turner continued his invaluable assistance as chapter advisor.

Virginia Zeta Chapter
Established 1887 • Founded at Miami University, 1818

Virginia Zeta Chapter of Phi Delta Theta was established at Washington and Lee University in 1887. The present house was built in 1929 with the assistance of Earl S. Martinly, secretary of the Board of Trustees and treasurer of the University.

The members of Virginia Zeta have spread themselves throughout all phases of campus life and have proved themselves leaders in athletics, scholarship, and extra-curricular activities. The seniors were particularly active this year. Charlie Commander, having served as president of last year’s junior class, was elected president of the senior class this year. In addition, Charlie was vice-president of the honorary Commerce Fraternity, a member of the Dance Board, treasurer of the Mongolian Minks, and a member of Sigma. Mike Spalding was vice-president of the senior class. Dave Callaway distinguished himself in the R.O.T.C. Department by receiving the highest award given, the Association of the U.S. Army Gold Medal. Dave was also Deputy Battle-Group Commander, a Distinguished Military Student, and a member of the selective Seaboard and Blade.

Frank Young, a junior, achieved recognition of his promising ability by being elected vice-president of the Dance Board and will succeed next year as its president. Frank is also a member of SWMSFC, the Glee Club, the White Friars, and a member of the Cold Check Committee. Randy Wootton was one of the Phi’s outstanding sophomores, rendering his talents to varsity lacrosse, varsity swimming, the Assimilation Committee, the Ring-Tum Phi business staff, and a member of SWMSFC.

In athletics, the Phi Dels also showed wide participation. "General" Lee will long be remembered for his services to the varsity Football team. Tom Baiter, Bobby Carlson, and Dave Knight, who was captain of the team last year, played varsity soccer. Steve Stull, Randy Wootton, and Dave Geer contributed to the varsity swimming team. Among those on varsity track were Ed Myers, John Lee, Dave Callaway, and Spence McKoy. Park Gilmore, a second baseman on the baseball team, was elected this year’s student representative for the Athletic Department. Bob Van Rensselaer, John Gulick, Steve Stull, and Randy Wootton joined the ranks of the Lacrosse team.

Outstanding social events that highlighted the year under the leadership of social chairman Hayne Hipp included the fall formal house party and the traditional spring Hawaiian party.

Virginia Zeta welcomes this year its new house-mother, Mrs. Myrtle Allen, and expresses its deepest gratitude for her devoted services.

Delta Chapter

Established 1920 • Founded at City College of N. Y., 1902

Delta chapter of Phi Epsilon Pi Fraternity made its entrance onto the W&L campus in 1920. Since then, it has contributed much to the varied activities and aspiration that make up the W&L way of life. This is in accordance with the ideals of Phi Ep: friendship and excellence of action.

Delta's pride this year, as in those preceding, bears upon the achievements of the big and of the little. Capturing the interfraternity scholastic trophy two semesters in a row and earning, collectively, a house grade point ratio previously unmatched was a paramount accomplishment. Delta's small rank made themselves felt in almost every area of extra-curricular activity: we also fielded a pe-ky football squad, a bowling team, a midg-ized basketball crew, and have hopes for another good-field, no-hit baseball team.

A friend commented recently that, for its size, Phi Ep certainly packs a wallop. We contributed two business managers to two different publications and peopled, to a great extent, the staffs of these publications. Several brothers acted with the Troubadours and participated in Home Edition; PEP members are found in academic societies such as: Psi Chi, Phi Eta Sigma, Pi Sigma Alpha, AED, English Seminar Committee. PEP gave a president to the Glee Club and a chairman to the Independent Party.

Although the fraternity assumes new roles each year, there is one constancy which illustrates our success as a group, and that permeates life at Delta—this being embodied in the person of its homemaker, Mrs. William C. Flournoy, "Mom" has served in this capacity admirably, loyally, and lovingly for twenty-three years. It is indeed a source of strength and a matter of pride that such a relationship has been perpetuated for so long.

Zeta Deuteron Chapter
Established 1869 • Founded at Washington & Jefferson, 1848

The fraternity of Phi Gamma Delta was founded in 1848 at Washington & Jefferson University in Canonsburg, Pennsylvania, and since that time, it has expanded throughout the United States and Canada with its present membership standing at over 60,000 living Fijis from 87 chapters. Zeta Deuteron of Phi Gamma Delta was established at Washington and Lee in 1869 and continues to advance and strengthen the ideals for which Phi Gamma Delta stands at the leading colleges and universities.

In its 92 years on the Washington & Lee campus, Zeta Deuteron has maintained a distinguished record of participation in campus social, athletic, academic, and extracurricular activities. Meade Christian is serving as junior representative to the Executive Committee in addition to being named for the Phi Beta Kappa Sophomore Award. Ray Rohrbeck is vice-president of the student body and a member of ODK as is Don Partington. Both are writing for the Law Review. Steve Rutledge was the only junior chosen for Beta Gamma Sigma, and he is chairman of the Assimilation Committee, a member of Liberty Hall Society, the Commerce Fraternity, and Student Service. Hugh Trout serves on Student Service and the Cold Check Committee. Andy New is managing editor of the Regent and Roger Paine is editor of the Southern Collegian. Ray Rohrbeck and Steve Rutledge were named to Who's Who in American Colleges and Universities.

This year saw fifteen Fijis returning as bettermen in their respective varsity sports while the chapter intramural program progresses essentially with exceptional performances in golf and volleyball.

Socially the Phi Gamma calendar is packed with excellent house parties and combos including football weekends, Champagne Formal, Fancy Dress, and the widely-recognized Fiji Island party of the spring.

Zeta Deuteron is especially appreciative of the assistance of its housemother, Mrs. Virginia Stover Smith, and of the helpful guidance of faculty advisors Dr. J. Olinger Crenshaw and Dr. William G. Bean.

The Virginia Beta Chapter of Phi Kappa Psi is the oldest fraternity at Washington and Lee, being founded in 1855, and it is the third oldest of 64 national chapters of Phi Psi. This fall the fraternity pledged 12 men to its ranks.

The chapter is well represented in all phases of campus life. In sports Phi Psi has too outstanding players who donated their efforts in helping Washington and Lee’s football team complete its second undefeated season. Jim Russ, a senior, played half-back, and Chuck Lane played quarterback and has been elected alternate captain for next year’s team. Bart Mitchell was elected captain of the Lacrosse team with Ray Miller also playing on the team. Phi Psi’s were particularly prominent on the swimming team, having Charles Hart, Mike Harris, Jim Wearn, and Walt McManus working hard for a successful season. Jim Russ and Chuck Lane were also out for baseball.

With the many extracurricular activities offered at Wel, the chapter finds many of its members diversified through this segment of campus life. Peter Agelasto was business manager of the Ring-Tum Phi, Charles Hart and Paul McBride were advertising managers of the Southern Colloquium, in the Student Service Society the chapter had Peter Agelasto, George Van Sever, Barry Staniar, Peter Alford, Jim Russ, and Charles Hart.

As always, Phi Psi enjoyed a gala social season with Jim Wearn doing a fine job as social chairman. This year Miss Harriet Day was crowned sweetheart which set off the winter season with a touch of beauty. The Spring Hawaiian Party and other informal house parties has given the chapter a sparkling social season.

Although no definite improvements have been added to the house, a beautiful rug has been laid in the living room and card room to add to the comfort of the chapter.

It would not be fit to close without acknowledging our charming housemother, Mrs. Carroll D. Evans, who has contributed in her twelve years with the chapter more than her share in unsellish services for the brothers.

Alpha Alpha Chapter
Established 1891 • Founded at Univ. of Pennsylvania, 1850

Phi Kappa Sigma was founded at the University of Pennsylvania in 1850. The Alpha Alpha Chapter of Phi Kappa Sigma was established on the Washington and Lee Campus in 1891. Since its beginning this chapter has had a constant record of outstanding leadership in the many phases of campus activity.

Alpha Alpha is ably represented in the University administration and faculty by such outstanding educators as Dr. L. J. Desha, Professor Emeritus of Chemistry, and Dr. Lewis W. Adams, Dean of the Commerce School.

This year Phi Kappa Sigma, under the guidance of its faculty advisor, Dr. Desha; House Mother, Alice Coghill; and President, Ralph Wiegandt, is taking an active part in campus activities. Bob Sykes is secretary of the Assimilation Committee, and is on the Board of Directors of the Conservative Society. Ralph Wiegandt is Company Commander of Headquarters Company in the ROTC unit. Mac McKay is vice-president of the U.C.A., while two brothers hold offices in the Glee Club: Dave Spencer is treasurer and Sam Channell, secretary.

In sports the Phi Kaps were well represented. Besides showing up in all intramural competition, many brothers won their Varsity letters. Jim Weller lettered in tennis and soccer. Alex Alexander in wrestling, Tom Edwards in track, George Chapman, Eric Larsen, and Sam Channell in soccer, and Bruce McDonald in cross-country. Jeff Lashner lettered on the rifle team for the third straight year. Freshmen participating in sports were Frank Glenn, freshman football; Steve Hildard and Alex Risin in soccer; and Charley Dickerson in wrestling.

Phi Kaps participated in many other campus activities. Clarence Renshaw is senior editor of the Radio Program *Kaleidoscope*. Alan McLeod was director of Boy's Club. UCA and George Chapman took part in the SWMSFC Musical, *Tom Edwards*. Tom Edwards was a Freshman Camp Councillor and is a Dorm Councillor. Jim Surface and Bill Tedars participated in debating. Many Brothers sing in the Glee Club, many are active in other organizations, some of which are Graham Lee Society, Washington Literary Society, the Conservative Society, the Cotillion Club, *Ring* and *Taps*, International Relations Club, Calyx, and the social clubs: 13 Club, White Friers, and PAN. In addition Bill Hamer is in Scullard and Blade and Dave Spencer is treasurer of the House Managers' Association.

Socially, Phi Kaps have enjoyed a successful year of activities. A South Seas Party held in the Spring climaxed a year including a hay ride to Gordon and a Christmas House Party.

Pi Chapter
Established 1892 • Founded at University of Virginia, 1863

During the early spring of 1892, Pi Kappa Alpha was founded at the University of Virginia. Since that time the fraternity has expanded into a national organization of over 130 chapters. The Pi Chapter was started on Washington and Lee Campus in 1892.

Maintaining a prominent position at the University, the Brothers of Pi have continued their long-standing position of leadership on the campus. Special recognition was awarded to Bill Outman, president of the House, when he was elected to membership to ODK. Bill is also chairman of the Student Control Committee and is a member of Ilha’s Ilha in American Colleges and Universities. Vice-president Cy Painter is treasurer of the L.F.C., and president of the honorary medical fraternity AED. While Cy continued on the Honor Roll for his third straight year, Tom Ireland earned the highest average in his freshman Law Class. Al Painter was appointed captain of the ROTC unit’s Gaines Guard, and Chief White received the Mahan Award for verse for the second year in a row. Dave Bevens lived in the Freshmen Dorm this year as a counselor and also served on the Cold Check Committee.

Out of the 13 fraternities on campus PBK was seventh academically and first intramurally, winning the football, handball, tennis, and softball championships.

In varsity sports Dan Blain finished his third year as offensive end and punter on the undefeated W&L football team. Elliott Maynard wound up his outstanding career in collegiate swimming as captain of Washington and Lee’s team, while Bruce Houghton held down a position as the varsity squad’s number one diver. Ken Kowalski excelled on the basketball team.

The traditional Christmas House Party was again a wonderful success, as was the theme party this year, patterned on a Roman feast. The Painter twin’s “country retreat” was the scene of several rather “idyllic” weekends, and the social season in general will always be a memorable one.

The brothers of Pi Kappa Alpha wish to extend their thanks to House Mother Mrs. Ruth Brown, who has provided unstintingly of her effort and understanding.

Rho Chapter
Established 1920 • Founded at College of Charleston, 1904

Rho Chapter of Pi Kappa Phi was founded at Washington and Lee in 1920, sixteen years after the founding of the national fraternity at the University of Charleston. Since its beginning, Rho has had as its goal to be well represented on campus in fields of academic, social, athletic, and other extra-curricular activities.

Pi Kappa Phi has established a worthy record in athletics this year. Brothers Farrar and Garrettson ran on the cross-country team; Jim Horton played varsity football and Terry Van Brunt was first-string on the freshman team; and Terry Johnson and Kim Kimbell swam with the varsity. Jim Wood and Terry Van Brunt wrestled; Charley Sweet and Howard Buse played varsity soccer; and Sandy Smith and Jim Horton played varsity baseball. Ron Steward, a consistent seventh-shooter, was one of the golf team's strongest members.

Scholastically, the house, which stood third in the school at the end of last year, expects to repeat its high standing again this year. Brother Charles Niemeyer is a member of Phi Eta Sigma and the pre-med honor fraternity. Over a third of the chapter membership has Dean's List standing.

In other extra-curricular activities the Pi Kaps were also well represented in many fields. In the Glee Club are Brothers Lacone, Jordan, Beither, McKinnon, Ivey, Hargestad, and Bright. Dick Kelly was elected to the honorary debating society and serves as treasurer of Sigma Delta Chi, and working with Radio Washington and Lee are Brothers Briede, Coach, Lynn, Kelley, Seay, and Broadbent.

The social season for Pi Kappa Phi has been full and diversified with a barn party and a pajama party in the fall and the annual Rose Ball in the spring. Added to these were the combo parties on football and dance weekends and several other house parties—and, of course, grain.

Mrs. Dorothy H. Camp has contributed a great deal to the house during the first year of the many we hope she will serve as our Housemother. Mrs. Camp and our faculty advisor, Dr. Cecil Ely, and his wife have added immeasurably to our successful year.

The past year has been a highly enjoyable and successful one for the house. Pi Kaps have many diversified personalities and interests, all united in the brotherhood of Pi Kappa Phi.

Virginia Sigma Chapter
Established 1867 • Founded at Alabama University, 1865

The Virginia Sigma Chapter of Sigma Alpha Epsilon was founded in 1867, just two years after the national fraternity was founded at the University of Alabama. In the years since, the men of Virginia Sigma have strived to achieve excellence in the fields of academic, athletic, social, and extracurricular activities.

During the 1961-62 school year SAE's held many important posts on campus. Rosie Page was elected senior representative to the Executive Committee, while Bill Roberts was representative for the Publications Board, Lanny Butler was president of the junior class, and his younger brother, Syd, served as secretary of the sophomore class. Page also was elected president of OKK and chairman of SWMSFC.

SAE's continued to dominate the field of publications. Bill Roberts became the fourth SAE in the last four years to be editor of the newspaper. Robin Wood headed the business staff of the CASSA.

Many men of Virginia Sigma figured prominently in the school's athletic program. Nine members saw a great deal of action on the undefeated football team, and Tommy Kessec was elected one of the tri-captains for next year's team. Bip Fauher has been captain of the basketball team since his sophomore year, while Jim Babcock and Dick Albert were members of the wrestling team. John Baker played number one on the tennis team, and Phil Sharp headed a delegation of four on the baseball team.

SAE was recognized for its leadership on campus by having four men elected to Who's Who, including Rosie Page, Bill Roberts, Phil Sharp, and Robin Wood. Page, and Wood also were honored by being tapped for OKK.

The Chapter had a fine year socially. Every football weekend found a party at the house, while the Christmas Home Party was better than ever. In the spring, Panama Party and Spring Home Party coupled with trips to Garden Pass, added enjoyment and variety to the school year.

SAE's housemother, Mrs. Fidel Wagner, retired this year, and men of SAE will forever be indebted to her for all that she has done for the Chapter over the past eleven years. The interest and help of faculty advisors, Dr. Jay Codd and Dr. James Stirling, and of William Washburn and Dean Frank J. Gillham have helped the house tremendously.

Sigma Chi was founded in 1855. Zeta Chapter was established at Washington and Lee just eleven years later, and since that time has strived to attain excellence in every phase of college life: academically, extracurricularly, socially, and athletically.

Sigma Chi's rush week was in the capable hands of John Refo, who was assisted by Mark Gee. The results of rush week are noteworthy of the cooperation shown by the brothers. Hal Holladay presided over the Pledge Class, with Les Pinsof and Tim Kurten as pledge trainers.

In athletics, Sigma Chi carried out its tradition of giving its all to the athletic department as evidenced by the new pool record set in the 430 freestyle by John Wolfe. Also on the swimming team were Nelson Williams and Bill Brookdus. Representing the house on the soccer team was Les Pinsof. The very capable cross-country and track teams had the services of Chi-Lodger Mark Gee, while George Paul and Sandy Ross gave their best to the varsity rifle team.

Extracurricular activities were also filled with Sigma Chi. Mark Gee need some of the wind he got on the track team to sing some mellow notes with the Saxarces. Butch Kross received an award as an outstanding academic ROTC cadet. Bob Doenges had the highly respected job of president of the Interfraternity Council. Fred Baker was the vice-president of the Young Republican Club. Ruger DeVan and Bob Doenges represented the house in the "13 Club."

Socially the house saw no dull moments. Every football weekend brought a combo, and the Sweetheart Ball, Spring House Party, and the Monte Carlo Party proved to be the highlights of a fine social season.

High points of the year off campus were the Thanksgiving weekend in New York, the Spring pilgrimage to Florida, and the customary spring days at Golden Pass and Twin Falls.

The successes of the year cannot be enumerated without our sincere thanks to our housemother, Mrs. Estell H. Rice, and Faculty Advisors, Dr. Kenneth Stevens and Mr. John Gunn.

Lambda Chapter

Established 1882 • Founded at Va. Military Institute, 1869

Sigma Nu, founded at Virginia Military Institute in 1869, is one of the largest national collegiate fraternities in the United States, having chapters in all but three of the 50 states. The Lambda chapter has been on the W&L campus since 1882.

Sigma Nu is outstanding in all phases of campus activities. Jack Vardaman was elected president of Finals Dances while Frank Wright was vice-president of the sophomore class. Dave Peters was president of the Sazercas, and Henry Holland was president of the House Manager's Association. John Dunnell and George Harvey held the offices of president and business manager, respectively, in the Troubadours.

In publications, Sigma Nu was represented in the Ring-tum Phi by copy editor Jack De Jarrett and reporters Steve Smith and Phil Oliver. De Jarrett also wrote for the Southern Collegian as did Sam Thomas, Thorin Craven, who was president of the Mongolian Munks, was a producer for Radio W&L.

Academically, Lambda Chapter was fifth among fraternities. Besides being represented on the Honor Roll and Dean's List, and having Frank Wright in Phi Eta Sigma, five of the brothers were granted fellowships: Wally Thulin and John Harcourt in psychology; Pete Stranburg in forensics; Henry Knight in physics; and John Roper in chemistry.

In athletics, Sigma Nu was well represented with Dave Tharp on the football team: Tom Green, Gil Slingerland, and Ed Allen on the soccer team; Jolly Girard, Dave Mosbaugh, and Mark Halderle on the basketball team; and Ed Allen and Jay Fiedler on the swimming team. Jack Vardaman was captain of the golf team while Nick Simmons was on the wrestling team; Penn Way was on the baseball team; and Norm Youngblood and Dave Mosbaugh were on the cross country team. Intramurally, Sigma Nu did very well ending up the season ranked third among the fraternities.

Socially Sigma Nu had a successful year. The fall house party, Spring Goshen party, and White Rose Ball, not to mention the regular weekend parties, kept the brothers socially active.

Virginia Epsilon Chapter

Established 1906 • Founded at University of Richmond, 1900

Virginia Epsilon chapter of Sigma Phi Epsilon was reactivated at Washington and Lee just five years ago, having left the campus during the lean years of World War II. Since her reactivation, the Chapter has maintained a steady record of achievement in all phases of campus life. Nationally, Sigma Phi Epsilon, founded in 1900, is only half as old as most national fraternities, yet has risen to the position of second largest fraternity in the country. The present membership of Virginia Epsilon chapter stands at 48 men, 22 of them being freshmen who were pledged during a very successful Rush Week.

Sigma Phi Epsilon has made itself felt in most all of the activities, both academic and extracurricular, on the Washington and Lee scene. Junior Jack Cover, chapter vice-president, was nominated for the presidency of his junior class, while chapter President George Peters was nominated for the office of historian of the senior class. Dan Ballou served as a Freshman Dormitory Counselor, as well as being a member of the Assimilation Committee.

In the field of athletics, Sigma Phi Epsilon has contributed her utmost. Doug Davis, Bruce Kurtz, Larkin Fowler, Jim Legg, and Robert Lee played freshman football, and junior John Cuffley lettered on the varsity basketball team. One cannot speak of W&L athletics without mentioning Sig Ep junior Mike "Iron Horse" Shank, the "Generals" track and cross-country star. Mike began breaking course records his freshman year and has not stopped since.

Moving from the realm of sports, Sig Ep Warren Mills was elected vice-president of the International Relations Club and junior Bob Brown served on the Ringtone Rho staff. Jere Cravens was a member of Phi Eta Sigma, and Russ Parrish, Dave Wolthorn, Woody Wise and Jere Cravens have been awarded Lee Research Grants for work in physics, military history, geology and chemistry, respectively.

Besides individual achievement, the Sig Eps boast a successful social season. A running Opening-Homecoming weekend was climaxxed by our winning first prize for Homecomings-Decorations. The Christmas Party, Fancy Dress Ball and Sweet-heart Ball hold fond memories for the brothers, as well as many other combo and cocktail parties.

We at Sig Ep wish to both welcome and express our appreciation for the devoted work of our housemother, Mrs. Jo B. Brett, We also wish to extend our thanks to our faculty advisor, Mr. Robert Stewart.

Alpha Epsilon Chapter

Established 1920 • Founded at City College of N.Y., 1898

Alpha Epsilon Chapter of Zeta Beta Tau Fraternity became a recognized fraternity at Washington and Lee in 1920. Since that time it has established for itself a prominent position in all phases of university life.

Scholastically, Alpha Epsilon has always ranked within the top three fraternities at Washington and Lee. Last year the fraternity finished second with an overall 1,667 average, with eighteen men out of forty-eight making the Dean's List or Honor Roll. For the last two years, a ZBT has been Valehistorian of the senior class; in 1961 it was Brian Vitsky, and this year it was Joe Goldstein.

In campus activities the fraternity has been in a distinguished position. This year, Steve Gafel served as senior Executive Committee man and Ken Bozarsky as the freshman representative to that group. Gafel also was president of the Washington and Lee Dance Board, president of the Student Service Society, and chairman of Liberty Hall Society. Tony Schlesinger was treasurer of the Interfraternity Council, while Joe Goldstein was editor-in-chief of the Caty, and chairman of the Student Library Committee.

Steve Gafel and Joe Goldstein were both selected for Who's Who in American Colleges and Universities and for Omicron Delta Kappa, national honorary fraternity.

Tom Supak, Danny Markstein, and Jerry Dattel were members of the SWMSFG; Tony Schlesinger, Markstein, Dattel, Gafel, and Jim Wallenstein of the Student Service Society; Joe Goldstein and Herb Salomon of the Student Library Committee and of AED, honorary medical fraternity.

Mike Sussman, Tony Schlesinger, Nicky Cohen, Art Portnoy, Bill Salmons, Mike Levin, and Joel Cozzi were members of the Mongolian Mirks; and Herb Salomon and Randy Cole of the "13" Club.

ZBT also participated enthusiastically in intramural sports as well as in varsity athletics. Su Yoof, Mike Levin, and Bill Angel played varsity football, Randy Cole and Dave Hyman played varsity soccer. Jim Wallenstein and Brian Dork were on the swimming team. Art Portnoy, Dick Coplan, and John Rosenberg were on the rifle team. Dave Hyman, Joe Supak, and Tom Supak were on the varsity basketball team; and Barry Greene was on the varsity baseball team.

Mike Sussman served as Alpha Epsilon's social chairman this year. Most memorable was the Fancy Dress Weekend when the ZBT's had Honey "Piano" Smith and Butch Brown.

Mrs. Forrest Fletcher again served devotedly and faithfully as ZBT's Housemother.

Football

Washington and Lee reaped the biggest rewards of a six-year football rebuilding program in 1961, when the Generals rolled to a 9-0-0 record and recognition as the country’s “Outstanding Small College Football Team,” scoring 297 points to their opponents’ 16, and placing five squad members on Little All-American teams.

For a school which only six years ago was on the verge of abandoning football completely, the success of the ’61 Generals was little short of phenomenal. In 1950, when W&L had posted just one win in two seasons, only 20 boys showed up for fall practice. Crowds dwindled, and football interest fell to an all-time low. But head coach Lee MacLaughlin, who wasn’t used to being on the losing bench, got to work on a rebuilding program, and by 1959, the Generals were winning again. They picked up three victories that year, and in the process began to attract spectators who hadn’t shown up for a W&L game in years. But the big winning didn’t begin until 1960, a year which saw the Generals unbeaten, but once tied, in a nine-game schedule. Then it was ’61, and W&L’s first undefeated, untied season since 1914.

Not since 1914, when Coach “Jogger” Alcock’s South Atlantic Champions went undefeated and untied, had a General team met with such success. Linebacker Terry Fohs was named second team Little All-American, and Steve Suttle, Tommy Goodwin, Bob Payne, and Charlie Gummey all rated honorable mention.
Hampden-Sydney 6

Having practiced less than two and a half weeks, the W&L Generals appeared unsure of themselves as they faced Hampden-Sydney in the first game of the season.

After the kick-off and an exchange of punts, Hampden-Sydney moved with ease to the W&L seven yard line, and scored two plays later when the Tiger's All-State end Bobby Saylor received a touch-down pass standing alone in the General end zone. Tackle Bob Payne smothered the conversion attempt, and the score stood 6-0. Hampden-Sydney.

The Generals came to life briefly in the third quarter. Steve Suttle's passing, aided by touchdown catches by Tom Keeve and Jim Ross, moved the Generals to the Hampden-Sydney two. The Tigers held for three downs, but Ross finally plunged in for the touchdown. His extra point effort was successful, completing the day's scoring.

To the 3,000 fans at Wilson Field, however, the most encouraging aspect of the game was the defensive play of the W&L third unit. When the defensive statistics were tallied, the “Gold” team had held the Tigers to minus 10 yardage.

The Generals hung in for winning T.D.

Franklin & Marshall 0

The Generals hit their stride against Franklin & Marshall utilizing extensive backup strength to defeat the Diplomats in their own Homecoming game, 16-0.

Steve Suttle started the scoring early in the first quarter when he bootlegged around left end on a touchdown play which covered 21 yards. In the same quarter, Charlie Gumney climaxd another General drive, crossing the F&M goal from the right. Both two-point conversions were successful, and the score was 16-0 at the half.

In the third quarter, Gumney scored early, this time from the two. Later in the period, Jim Hickey, a 196 second man, received a Diplomat punt on his own 16, and sprinted 83 yards for the most spectacular touchdown of the day. Minutes later, third unit quarterback Chuck Lane ran 71 yards from the spread formation, for W&L's fifth touchdown.

In the last period, sophomores A. J. Romanov and John Pearson combined talents on a highly successful pass play, giving the Generals their final touchdown.
Playing before a large homecoming crowd at Wilson Field, W&L combined a powerful offense and an alert defense to win their 13th game without a loss.

Defense, backed by Charlie Cruger, Bart Dick, and Tommy Goodwin, kept Randolph-Macon from getting any closer than W&L 20 yard line. The Yellow Jackets could not do much better with passing, as they had almost as many passes intercepted as they completed.

Touchdowns by Gummey, Hickey, and Stu Yoffe gave the Generals a 20-0 lead by the end of the first quarter. Midway through the second period, quarterback Chuck Lane added another touchdown on a short pass to Doug Martin.

After the half, the Randolph-Macon defense stiffened, and the final two General touchdowns came after long drives. Sophomore quarterback A. J. Barranco scored on a one yard sneak, completing a 43 yard drive, while Lane's second touchdown came on the 19th play of an 81 yard march.

On a rain soaked field in Baltimore, the Generals took the season’s fourth victory as they downed Johns Hopkins 38-6. Hopkins had tied W&L in 1960, blemishing last year’s otherwise perfect season.

W&L’s first touchdown came almost immediately as the Generals, on the fourth play of the game, recovered a fumble on the Hopkins two yard line. Two plays later, fullback Tommy Keese went over, the conversion was good, and it was 6-0 with less than two minutes gone in the game. W&L’s offense continued to roll, and Martin scored to give the Generals a 10-0 lead early in the second quarter. Unable to move on the ground, Hopkins completed five of six passes, the last for a touchdown. The extra point was blocked, and the half ended 16-0.

W&L went on to add three more touchdowns in the third and fourth quarters. Using their speed and agility, Yoffe and Martin scored on long runs, but the most colorful play was a blocked punt-touchdown by tackle Bob Payne.
Against a team that had never lost a home game to Washington and Lee, the more experienced Generals scored easily as they blanked the Centre Colonels, 53-0.

Keesee, Yoffe, and Martin gave W&L a 22-0 first quarter lead, and two more scores made it 35-0 at the half. From here on the third and fourth teams played and got valuable experience. These units, however, were no less effective, as they rushed for 188 yards, more than half of the 323 yards gained and held the Colonels to almost minus yardage. Two sophomores, Jay Norwitt and V. L. Barranco, scored the second half touchdowns, while Jim Rus had kicked his first field goal of the season. Remaining stings as usual, the General defense allowed Centre a total of one yard rushing.

Sophomore sensation Stu Yoffe returns punt 45 yards.

In a game that could well have been the turning point of the season, the Generals defended their record against Emory & Henry. Using depth and scoring in all four periods, W&L won 27-6, and became the unchallenged power of Virginia small colleges.

By the beginning of the second quarter, the Generals had scored a touchdown into a touchdown and led 22-0. But in less than two minutes, Emory & Henry had scored and was threatening again. A spectacular 79 yard punt return had made the score 22-6, and an intercepted pass had given E & H the ball on the W&L 21. From there, however, the W&L offense came to an abrupt halt. Payne again scored three more tackles, while Gummey ended the drive by intercepting a long E&H pass. Later in the quarter, Payne scored on a second blocked punt-touchdown of the season, and it was 13-0 at halftime.

But W&L's depth had begun to make the difference. Emory and Henry did not threaten seriously again, and Martin and Dave Thrall ended the scoring. Defense, the secret of the Generals' success, was led by Terry Fols, who was credited with over 20 tackles.

At the game, Washington and Lee was recognized by a national sports magazine as "The most successful... of all schools that have de-emphasized their athletic programs."
By defeating previously unbeaten Sewanee, Washington and Lee extended its winning streak to 17 games, and preserved its 11th place ranking among the nation's small colleges.

Victory did not come easily, however. During the first half, the Generals were repeatedly stalled by the determined Tigers. The only points came on a 36 yard field goal by Jim Russ, making the score 3-0 going into the third quarter.

Taking the second half kickoff, the Generals went on to score, with Steve Suttle going over from the nine. Defense, led by Falls and Wheeler, contained Sewanee until a one yard plunge by Kreese gave the Generals another touchdown and a 19-0 lead.

Then Sewanee turned to the air, completing 5 of 6 passes, the last being good for seven yards and the score.

The Generals used long runs and an alert defense to crush Frederick 30-0, and to move within one game of a perfect season. In a game complicated by 165 yards of penalties, the W&L defense had a perfect day, allowing the Lions zero yards rushing.

Scoring early, the Generals swept to an 18-0 halftime lead. Gummer scored the first touchdown on a pass interception with less than three minutes gone in the first quarter. Then Suttle took over, and went in on runs of 18 and 80 yards.

In the final two periods, Frederick made only one first down, while W&L drove 79 and 44 yards for touchdowns. The third score came soon after the half, as Russ plunged over from the one. Martin followed in the fourth period, scoring on a four yard sweep.
The Generals wrapped up their first undefeated season in 47 years with a 33-20 Thanksgiving Day victory over Washington University in St. Louis. Sluggish after a six-hour bus ride and only five hours sleep, the Generals spotted Washington a 20-0 lead midway through the second period. Minutes later, a 77-yard touchdown pass play from Lane to Hickey made it 20-12 at the half.

In the second half, while the W&L defense cut off Washington without a score, quarterback Steve Suttle directed three touchdown drives which gave the game and an undefeated season to the Generals. Suttle planked over from the one in the third period, and Doug Martin added two extra points to make the score 20-20. Then Charlie Gurney, who had scored the Generals' first touchdown of the day with a 20-yard run early in the second quarter, shook loose for a 19-yard TD, putting W&L ahead for the first time at 26-20. With only seconds remaining in the game, Martin finished off the scoring with a four-yard touchdown set up by a spectacular 55-yard run by Suttle. Tom Keesee added the extra point, and it was W&L 33, Washington 20.
When the 1960 soccer season was finished, Coach Joe Lyles was very optimistic about the 1961 season. Many of the team's standout performers were returning. The prospects were very bright for a successful season and possibly even the state crown.

The dreams of Coach Lyles for his best season as soccer coach at Washington and Lee were quickly shattered. Four of his key players failed to return to school this year. During the season Dunlop Ecker, Tom Clemens, and Jim Starkey, all key players, suffered injuries. This left the soccer team with a few capable and experienced players and a group of eager freshmen.

The schedule was a tough one including four Atlantic Coast Conference powerhouses and perennially rugged Lynchburg College. The Generals put a very young team on the field against this top-notch competition. The team, which improved as the season progressed, compiled a 3–3 record.

The Generals were led by Dave Knight and Tommy Green. Knight, an outstanding center forward, set a new W&L record with 15 goals. Green, a superb goalie, was named to the All State squad on his performance at the state tournament. Knight was also named to the squad.

Among the outstanding freshmen were Steve Hibbard, Gill Slingerland, Charlie Sweet, Bruce Jackson, Howard Busse, and Pete Preston. These boys plus a fine freshmen squad will make up the nucleus of the 1962 Generals. If all goes well, prospects for next season are very bright.

Flying high!

Suspended in mid-air!
Cross Country

This year, under the leadership of Coach Miller and of Captain Mike Shank, the team finished its third consecutive and its best post-war winning season with a record of seven wins and two losses. The team also captured fifth place in the State meet. Coach Miller praised the team for doing so well this year, and he asserted that the course at W&L is one of the toughest in the area. This year's cross country standout was Mike Shank. The "iron horse" set a new school course record by covering the 4.1 miles in 24 minutes and 20 seconds. Out of nine meets, Shank took first place in all but one, and here he took second. Coach Miller complimented the fine depth he had on the team with men such as Dick Rogers, Andy Kilpatrick, Norm Youngblood, and Ed Garretson. Also Mac Brownlee, who along with Shank will be co-captains for 1962, finished behind Shank for W&L in every meet. In cross country, the lowest score wins. The Generals defeated Randolph-Macon (43-18), Lynchburg (56-52), Fairmont State (37-20), Richmond (43-18), Dickinson (47-46), also Pfeiffer and Hampden-Sydney forfeited with scores of 40-15, W&L lost only two meets, to Bridgewater (53-21) and to R&M (46-21). Climaxing a fine season, Mike Shank was voted by his coach and teammates as the recipient of the Forest Fletcher Cross Country Trophy.
Riflery

Although the Washington and Lee rifle team did not have too successful a season, the standard alibi that it was hampered by injuries was not used. The team, coached by Sgt. John Matthews, did very well in view of the inadequate practice facilities. Since W & L has no rifle range, the team was required to practice at V M I. Many times these facilities were not available and the team had no place to practice. The members of the team were unable to reach their full potential because of this poor practicing situation.

This year's schedule was composed of two types of matches, shoulder and postal. In shoulder matches where the opposition was faced in person, the team compiled a record of two victories and six defeats. The two wins were over Georgetown University and George Washington University. In postal matches where the scores were mailed to the opposition, the Generals won 21 while losing 14. Schools such as Auburn, UCLA, Clemson, TCU, and Tennessee were met during the year in postal matches.

The freshman team had a poor record, but a successful season. They faced very stiff competition in the local military schools and other freshman teams. Considering the caliber of their competition, they did better than expected.

Some of the top performers were Dave Auld, Art Portnoy, John Rosenberg, Van Wiley, Jim Austin, Jeff Lasher, and Richard Coplan. With several of these returning and some good freshmen the prospects for a very successful season next year are bright.
The 1961-62 swimming team, under Coach Norris Eastman, was highlighted by great individual performances and six new University records. Against tough competition throughout most of the season, the team lost only to Maryland and Pittsburgh and tied William and Mary. In the meet with East Carolina, Washington and Lee won its most exciting contest to end its 3-2-1 season.

Captain Maynard not only led the team as its captain, but also was the leading scorer with 63 points for the season. He was followed in scoring by Charlie Gummey with 51, then by Herb Jahmcke and John Wolfe with 51 each. The combination of points compiled by these four swimmers made up about a third of the total team points. These swimmers also took part in setting the six new University records. In the 100 medley relay the combination of Harris, Maynard, Stull, and Gummey produced a record breaking time of 3:52.6. In the 220 yard freestyle Jahmcke set a new record of 2:13.5. These records are all the more impressive, for Gummey, Stull, and Jahmcke had never entered swimming competition before coming to Washington and Lee. Jahmcke also set another record in the 200 meter individual medley at 2:13.5. Captain Maynard now holds two individual University records after swimming a 2:18.5—200 yard butterfly, adding to his last year’s record in the 200-yard breaststroke. In the 440 yard freestyle, John Wolfe, an outstanding freshman, as well as a top varsity scorer, set the record at 5:13.5. The final record to fall to this past year’s team was in the 100 yard free-style relay when the team of Gummey, Jahmcke, Benn, and Monsarrat swam the race in 3:24.0.

When W & L opened against Virginia in early December, Coach Bob Henry had only four previous lettermen, including one returning senior. The Generals, with their tallest starter at 6'2", were young and anxious while the Wahoos were intent on setting straight last year's upset. W & L dropped the game 82-53, and with inexperience the main problem, went on later to finish the year with a 6-11 record. Lack of experience led to a lack of consistency, as the Generals scored 53 points one game, 99 another, won six out of nine home games, yet lost all eight contests on the road. Defense became the best offense against taller, stronger rebounding opponents, but even here inexperience showed through. In dropping five out of the last six games, W & L allowed other teams no less than 70 points a contest.

But the basketball future is far from dim. With a majority of freshmen and sophomores, Coach McHenry feels that this year's team has learned and developed more than any other squad he has coached. Sophomore Tom Supak, a transfer from William and Mary, played his last eleven games with an 18.3 average and became the team's top individual scorer with a 15.1 average. Completing his third season with the Generals, Captain Bip Fauber averaged 14 points per game and was selected as next year's captain, an honor he has held since his sophomore year.

Freshmen Louis Paterno, Gene Pearce, and Dick Livingston were outstanding throughout the year, and with them Coach McHenry hopes to mold a nucleus for successful seasons to come.

Tom Supak drives as Smith and Fumber position for rebound.

Paterno hits two from the outside as 1de looks on.
Although the 1961-62 basketball season was a dismal one for the Generals, who compiled a 6-11 record, there were stellar team and individual performances.

W & L's second victory of the season, an 86-79 win over Franklin and Marshall, displayed an outstanding offensive team effort. The Generals took command in the first half and never relinquished the lead. Captain Bip Fauber netted 31 points and captured 23 rebounds, while Bill Ide added 20 points and Lou Paterno scored 14 for the night.

A pressing defense and outstanding individual performances gave the Generals a 71-56 win over William and Mary of Norfolk. Tom Supak and Paterno, the backcourtmen for the Generals, combined efforts to score 22 of the team's 37 points in the first half. This combination scored 21 and 22 points respectively for the game, which ended in a 71-56 score.
In the eleventh game of the season, the Generals held off a second half surge by Roanoke College to win 77-73, and lift the team record to a 5-7 mark. W & L's 12.5 per cent scoring average gave them the halftime advantage at 40-33. During the second half Roanoke slowly cut the margin, threatened to tie the score, but could never pull any closer than the final two points. Bret Thackston sank 14 points. Patiner, the game's top scorer, added 25; while Tom Supak and Paterno netted 18 and 14 respectively. Homecourt confidence and a solid 17.3 per cent shooting average from the field allowed the Generals to score 63 points in the second half and crush Emory and Henry 99-83. Behind early in the first half, Washington and Lee took the lead on Bill Ide's jump shot, making the score 20-18, but relinquished the lead to the Wasp, who held a 39-36 advantage at the end of the first half.

HOMECOURT CONFIDENCE AND A SOLID 17.3 PER CENT SHOOTING AVERAGE FROM THE FIELD ALLOWED THE GENERALS TO SCORE 63 POINTS IN THE SECOND HALF AND CRUSH EMMORY AND HENRY 99-83.
Wrestling

Varsity wrestling this year again had a commendable overall record of seven wins and three losses. It was a team which was one of the best balanced in years, not weak in any of the weight classes.

Coach Miller said that the members of the team "were one of the finest group of individuals I have ever coached. They were well dedicated to their sport. . . . The attitude of the boys was excellent." As far as their coach was concerned, they were ready for all matches throughout the year. The team relied more upon speed than strength or ability.

In the individual matches the varsity had a record of 45-32-3. Outstanding members of the team were West, Stover, Winfield, Montgomery, Mersereau, Smith, Albert, and Babcock. Montgomery and Mersereau were the team co-captains. The tri-captains for next year's team are Montgomery, Albert, Babcock.

The individual leader in pins for the year was Smith who pinned six men in seven matches. The team was also aided greatly by Boiarzsky, Brumby, Dickinson, Rodgers, Owens, Kratzig.

The Mathis War Memorial Award, which goes to the outstanding wrestler of the year, went to Sandy Mersereau. This is the third year in a row that he has received it, with an overall record of 28-8-1. The Captain's and Coaches' Trophy, which goes to the outstanding freshman, was won by Tom Stover.

Since 1921 the varsity wrestling team has won 187 dual meets, lost 93, and tied 6.

Enjoying another winning season, Coach Cy Twombly's golf team finished the year with a 7-2 match play record. In tournament play, the Generals placed fourth in the State Intercollegiate at Hot Springs as captain Jack Vardaman ranked third in the individual honors. In the Greenbrier tournament, W&L placed fifth, with sophomore Warren Hughes being the standout.

Washington and Lee opened the season with three consecutive victories. In the first one against M.I.T., Vardaman chipped and putted beautifully, leading the team to a 6-3 margin. After defeating Virginia 6½-2½, the team played Lynchburg College and defeated them by the same score.

The Generals then traveled to Richmond where they took the first loss of the season, 5½-3½. In the next match, however, Ronnie Stuart shot a 71 under wet and rainy conditions to lead the team to an 8½-½ victory over Hampden-Sydney.

In probably the most outstanding team effort of the year, the Generals met William and Mary in Lexington and defeated them 6½-2½. Then the team went on the road for two matches, winning the first one over Roanoke College, but losing the second to George Washington 5½-3½.

The Generals ended the season in a match against Randolph-Macon, beating them handily 10-0.
Tennis

After almost no preseason practice due to foul weather, the Generals lost the opening match to Colgate, but then won three straight, en route to a 6-4 record for the year. After Colgate, Coach Washburn's team defeated Lynchburg and West Virginia by 6-1 scores, and edged George Washington 5-4. The George Washington victory was not decided until the third set of the final doubles match, with Albert and Smith winning, 6-2, 3-10, 6-3.

On Monday after the Spring dance set, the Generals resumed play, meeting a powerful Duke team. The Blue Devils behind the AUC singles champion were too strong, and Washington and Lee went down, 9-0.

Playing in the rain and with the absence of Valentinier, the Generals dropped the next match, 5-4, against Randolph-Macon. Freshman John Baker played excellently in the losing effort, defeating his opponent in close sets. This match, however, was taken from the records because of weather conditions.

After beating Richmond with little trouble, the Generals dropped a 5-4 decision to William and Mary. Valentinier and Mell both went three sets in the singles before losing to their opponents. The situation was reversed against Roanoke, however, as Mell and Washburne went three sets to win their singles, while the team scored a 5-1 victory.

Fielding only two seniors, a rather inexperienced General team opened the season against always powerful Maryland. In the contest on Wilson Field, the Blue defense, braved by John Dinkel and Bart Mitchell, could not contain the visitors' polished attack, and lost 22-4.

The second game was against a combined Oxford-Cambridge team, the first European squad in the States for decades. In the outstanding single effort of the season, Ray Gordon netted six goals and guided the stickmen to an 8-5 victory.

Attackmen Ray Miller and Jim Powers, with seven goals between them, led the team to its second victory of the season, defeating Loyola 14-6. Again, the heavy stickwork of Dinkel and Mitchell was important in the win.

Freshman Johnny McDaniel was the standout in the Generals' third victory, 9-2, over North Carolina. McDaniel scored two goals, and later finished the season as Coach McHenry's most improved player.

The final game, although a loss, was the high point of the season. Trailing Virginia 8-0 in the third quarter, the Generals scored six goals in an inspired effort before losing 12-6.

Although Coach McHenry was a little disappointed with the losing season, he had nothing but praise for several of his men, especially captains Tracht and Dinkel. In post-season play, Dinkel was selected to play as a defenseman in the North-South All-Star game at Annapolis, and was commended for his fine effort.

For the first time in three years and the third time since 1952, the Washington and Lee baseball team had a winning season with an 8-4 record. The team, led by Coach Lyles, Assistant Coach Leslie, and Captain Ned Hobbs, showed continual hustle throughout the fine season.

The season started off slowly as the Generals lost their two opening contests. The Generals, led by Ned Hobbs' two hits, lost an extra inning decision to Elon, North Carolina State, Atlantic Coast Conference powerhouse, completely routed the Generals 13-2.

Behind the four-hit pitching of Phil Sharp, the Generals chalked up a 6-0 win over Harvard. The Generals, having difficulties getting base hits, relied upon precision bunting and base-running to score their runs. Bob Williams led the team at bat and in the field.

In their next two games, the Generals' bats began to boom. Roy Carpenter pitched and slugged the Generals to a 6-1 victory over William and Mary. Freshman Penn Way chalked up his first win of the season against Norfolk William and Mary. Ned Hobbs led a five-run outburst in the eighth inning to secure the victory.

The Generals closed out the season with two wins over Hampden-Sydney. The first game saw the Generals win a ten inning affair 6-5. In the season's finale, Roy Carpenter went the route to garner a 4-2 victory. Bob Williams and Roy Carpenter supplied the hitting punch. With this victory, the Generals closed out a very successful season with an 8-4 record.

The Washington and Lee track team, guided by Coach Norm Lord, "sculpted" eight opponents and drove on to an undefeated season. This year's team faced only one serious rival—Wake Forest—on its way to an undefeated season. The Generals topped Wake Forest 78-53.

The Generals roared off to a rocket start in their opening meet as they blasted High Point 104-36. Captain Jim Hickey, Mike Shank, and freshman Robin Kell paced the Generals win with two firsts each. Hickey came home first in the 100 and 220 yard dashes. His 100 time of 0:9.93 seconds tied the school record. Shank, W&L's top distance runner, sped to wins in the mile and two mile. Kell tied for first in the high jump and captured a first in the hop, step, and jump.

The Generals had their best meet of the season as they whipped Lynchburg College. Last year's best times and distances took a heavy beating as 16 marks were bettered. Jungle Jim Hickey led the way as he sped to a new W&L record in the 100 yard dash with a time of 0:9.75. Skip Essex bettered the 880 record by 2 seconds with a 2:00.3 run.

Jim Hickey, Mike Shank, and Ed Croft were all "double winners" as W&L won its eighth consecutive meet by defeating Randolph-Macon. Henry Sackett was the day's top performer, capturing the broad jump with the longest jump of his career—21' 8 3/4".

Facing an extremely difficult schedule, the freshman football team began the season with a new coach and many inexperienced players. The season cannot be termed successful, but several factors should be considered in reviewing the year. As is true of most freshman teams, the squad was comprised of men who had never played together, making inexperience possibly the greatest handicap to success.

Coach Dana Swan, previously at Swarthmore, came to Washington and Lee this past fall. As the new freshman football coach he was assisted by two Washington and Lee law students, Bill King and Tiny White. King, former U. Va. star, took over the coaching of the backfield, while White, outstanding in W&L football himself, coached the line.

The team elected tri-captains for the 1961 season. These three players were outstanding in their playing as well as in their leadership. Skipper Chase, a powerful runner in the halfback position, came to W&L from Kentucky, where he had been an outstanding player. Dan Manson, a Martinsville High School star, filled the fullback position, and was rugged in both offensive and defensive positions. Chuck Long led the offensive line from tackle.

Throughout the season the Baby Generals were hampered by injuries. Most of these were not serious, but they helped to make the road to success nearly impossible. Greg Sharkey, a defensive end, was injured early in the season, leaving the team with a serious vacancy. He later returned, as did some of the other injured players, and the Baby Generals began to look much better late in the season.

The team was primarily a running team, although it sometimes relied upon the pass-catching ability of Bill David, who scored the lone touchdown of the season. Defensively, halfback Gordon Gay must be commended for averaging seventeen tackles per game.

Sports

Before 1961, organized soccer, besides that of the varsity, had never been played at Washington and Lee University. The purpose of the freshman team was to get soccer more organized.

The team had a first-year record of four wins and two losses. There were many standouts on the team such as Morgan Kelly, Duke Terrell, Ellen Warner, and Jim Shay. Of these, Jim Shay, who only played through part of the season, showed promise to be one of the best left forwards in many years at W&L. He also led the freshman team in scoring.

It is hoped that these boys who played freshman soccer will provide much help to the varsity next year.

Basketball

This year's freshman basketball team ended its season with a 7-7 record. The team got off to a tremendous start, winning seven out of its first eight games. The last six games of the season resulted in a loss to the Baby Generals. Victories were seen over Fork Union Military Academy, Greenwood Military Academy, Edgerton Military Academy, Augusta Military Academy, and Hardwater junior varsity. Outstanding on the team were Terry Kowalski, Dick Livingston, and Howard Keenan.

Coach Joe Lyles attributed the sudden decline of the team at the end of the season to "exams, Help Week, and a general disorganization and lack of desire." However, it should be pointed out that all of the losses of the team were quite close with such scores as 61-62 in favor of Augusta Military Academy and 60-74 in favor of Staunton Military Academy.

Intramurals

The Intramural Board plans, directs, executes, and supervises the Intramural program. It provides a well-rounded program of activities which are suited to a variety of interests and needs, stimulates participation in team and individual activities, and sponsors and fosters a program of activities which are recreational in nature but provide healthy physical exercise.

Cheerleaders

The purpose of the Cheerleading squad is predominantly to lead cheers at the football games. The other activities of the squad include organizing the Freshman parade and Pep Rally and arranging the Homecoming Queen Contest. The new members of the squad are selected by the old ones after try-outs. The try-outs are open to freshmen as well as to upperclassmen. There is no limit to the number of men on the squad.

Epilogue
"Fight to the finish, we are with you . . . When Washington and Lee's men fall in line . . . for the University . . . will ever score in triumph . . . roll old Sweet Briar on the sod . . . Rah! Rah! Rah! . . . Circle the end and hit the line right hard."

Throughout this 1962 Calyx we have presented pictorially a panorama of the progressive spirit of our University, as recorded in our fight song, The Washington and Lee Swing. Not only has this ever-present spirit manifested itself in the intellectual, cultural, and social aspects of our campus life, but it has also been evident in our rapidly expanding physical plant. It is only fitting that our graduating class of 1962 witness the final phase of a building program—a program which has more than doubled the size of our campus in the four years that these men have been here at Washington and Lee.

Come cheer for Washington and Lee We're going to win another victory. The White and Blue we will ever wave in triumph For the University. Rah! Rah! Rah!
Fight to the finish, we are with you, Break through the line on every play, Rush the ball on down the field, And we will win this game today

When Washington and Lee's men fall in line, We're going to win again another time. For W & L, I yell, I yell, I yell. And for the University I yell, I yell, And we will fight, fight, fight for every yard, Circle the ends and hit the line right hard, And we will roll old Sweet Briar on the sod. Rah! Rah! Rah!

THE MOON... and beyond!

Bright, new horizons await today's students... new technologies... new medicines... even the moon and whatever lies beyond.

How far today's students go in this space age depends partly on their imagination but primarily on their training. Conquering new horizons will demand more of today's graduates — more knowledge, more skills, more training and more specialization.

Our Free Enterprise system, with its high living standards, gives everyone an opportunity to "shoot for the moon" in any field. Whether or not our target is reached depends on how well trained we are to launch ourselves.
