FOOTBALL

W. and L. 34—Richmond College 0

The game with Richmond College last Tuesday was witnessed by a very small crowd, only about a third of the students being present. Before the game it looked as if we were to have our usual luck and play Richmond in the rain, but the sun came out just in time to dry the field off a little. The visitors had a very poor team and the victory was easily gained by Washington and Lee. It was quite noticeable that the lightest of the Richmond men, Gooch, played a left back. There was a slight change in the W. and L. line-up since the first game: Rasin, formerly of St. John's College, playing quarter and Bagley resuming his old place at end. Our boys held together much better than they did in the other game. It is hard to pick out the best players but the interference of Rasin and the kicking of Anderson were especially noticeable. During the second half after victory was assured several men from the second team were put in the game.

FIRST HALF.

Richmond kicks off to W. & L. Hardy securing the ball for the former but making no gain. Hardy bucks the line for 3 yards. Bowen tries a break through Left Tackle and is forced back 3 yards. Bowen punts, the ball being caught by Moomaw, who advances 5 yards before he is downed. Anderson makes a run of 35 yards around Left End. Alderson tries a Right End run and covers 25 yards. Withers secures 7 yards around Left End. The ball goes over to Richmond on downs. Bowen bucks the line for five yards. Ball goes over to W. and L. on downs. Anderson hits the line through Right Centre for 2 yards. Rankin around Left End gets 2 yards. Anderson is shored through Right Guard and gains 6 yards. Moomaw huddles the line and makes a break advancing the ball 8 yards. Alderson gains 3 yards through Left Centre. Anderson secures 3 yards by a play through Right Guard. Moomaw again makes a sensational break through the line, and is shored over the goal making the first touch down. Anderson kicks goal. Score W. & L. 6—Richmond 0.

W. & L. kicks off to Richmond's 15 yard line. Mench advances 5 yards and is downed. Richmond fails to cover the required 5 yards

and the ball goes over to W. & L. Moomaw hits the line for 1 yard. Anderson makes a play through Left Tackle gaining 10 yds. Moomaw huddles for a 10 yard gain, Alderson then secures the ball and makes a Left End run of 40 yards ending over the goal. Anderson fails to kick goal. Score 11—0.

W. & L. kicks to Richmond's goal. Richmond pants from behind her 25-yard line. Anderson runs Left End covering 10 yards. Alderson makes advance of 30 yards around Right End. Moomaw bucks line for 7 yards. Alderson then breaks through Right Guard making third touch down. Anderson kicks goal. Score: W. & L. 17, Richmond, 0.

W. & L. kicks off to Richmond. Hardy secures ball and covers 10 yards before downed. After an unsuccessful attempt to advance, Richmond is forced to punt, Rasin catching it and gaining 12 yards. Rasin makes a forward pass to Anderson and W. & L. is penalized. Time up.

SECOND HALF.

W. & L. kicks off to Richmond whose Right Half secures the ball and makes 10 yards. Bowen gains 4 yards through Right Centre. Richmond is again forced to punt. Rasin gets ball and advances 15 yards. Alderson around Right End for 20 yards. Anderson by a Left End run covers 15 yards. Alderson goes over the goal after a 25 yard run for the fourth touch down. Anderson kicks goal. Score 23—0

Richmond kicks to W. & L.'s 15-yard line where Moomaw secures ball advancing 8 yards. White forces through Left Tackle a gain of 16 yards. Rankin then gains 20 yards by Right Tackle play. By two good runs of Bagly and Anderson, the first of 15 yards, the second of 20, the ball is carried over for a touch down. Anderson fails to kick goal. Score 28—0.

W. & L. kicks to Richmond. Russell by quick run gets the ball on the 20 yard line. Then by a number of short quick rushes W. & L. gets a touch down. Anderson kicks goal, making the score 34—0.

Richmond kicks off to W. & L. Jenison catching the ball and making 15 yards. Jenison makes a good run of 28 yards around Right End. Rankin follows with 20 yards. W. & L. failed to gain

ground in the next three plays, the ball goes over to Richmond. After a few more plays of no interest time was called.

Line-up as follows.

With New York Nationals

"Nick" Carter, who coached the baseball team here last year is to pitch for the New York Nationals next season. A special to the Times-Dispatch from Leesburg says: "Connie Carter, of this place, who has just finished the season as pitcher on the Syracuse (N. Y.) team of the New York State League, and who was recognized as the star pitcher of that league, left his home here yesterday morning to report to the New York Nationals, by whom he was signed several weeks ago.

"Carter is widely known in Virginia and Maryland, having played last year on the Washington, D. C., amateur clubs, in the Virginia State League and on the University of Virginia team. Carter has developed great speed and made an enviable record with the Syracuse club.

He is a descendant of the historical Carter family of Virginia, and is a brother-in-law of the Hon. Morgan H. Beach, late United States Attorney for the District of Columbia."

Glee Club Meets

Never has anything created so much interest as the formation of the Glee Club for this year. At a called meeting of all old members and those desiring to become members on Thursday last 18 men were present. After a few songs were sung with rousing good spirit for sake of old times, and plans discussed for the ensuing year the songsters adjourned with the old and ever remembered glee club yell. This evidences a bright prospect for W. & L. in this line, and with two so able men at the head as Mr. Sheafe, director, and Mr. Herbert Anderson, manager, success must come.

Hop

The second hop of the season was held in the gym. Thursday night, Sept. 27. Good spirit, cool weather and pleasing strains of the V. M. I. orchestra made the affair most enjoyable.

The chaperones were: Miss Annie White, Mrs. Kern, Mrs. Stevens, Mrs. Rust and Mrs. Cox.

The couples present were: Miss Williams with Mr. Caperton, Miss Haskins with Mr. Hamilton, Miss Tucker with Mr. Pipes, Miss Preston with Mr. Carpenter, Miss Gadsden with Mr. Stone, Miss Brockenbrough with Mr. Withers, Miss Harman with Mr. Peters, Miss Chamberlain with Mr. Dunlap, Miss Moore with Mr. Trimble, Miss Goldsby with Mr. C. Bagly, Miss Kirkpatrick with Mr. Brown, and Miss Goldsby with Mr. T. O. Bagley.

Others present were Messrs. Allen, Bell, Davant, Atwell, Campbell, Whiting, Marston, Phister, Goolloe, Rankin and Whitney from the V. M. I.; Pilkington, Allen, McBryde, McCrum, Meyer, Whip, Hynson, Steves, C. McCrum, Mine-tree, Hubbard, Barcay, White, Caskie, Pruit, Graham, S. Graham and Miles of W. & L.

Episcopal Reception

Those who attended the reception given to the Episcopal students at Attorney-General Anderson's residence on Thursday evening came away feeling more at home among the hospitable people of Lexington. Quite a number of the fairer sex were present and succeeded well in making the young men enjoy themselves. When it was assured that all had met one another, dainty refreshments were served and all present reported a delightful evening.

Those present were: Mrs. Attorney-General Anderson, Mrs. Kern, Mrs. Morgan Pendleton, Mrs. Stevens, Mrs. Hartman, Mrs. Page, Mrs. Koones, Miss Duvall, the Misses Anderson, Miss Marie Lewis, Miss Timberlake, the Misses Harmon, Miss Gadsden, Miss Purcell; Dr. McBryde, Dr. Kern, Dr. Hartman and the Messrs. Spindle, Robinson, Minetree, H. Page, R. Page, S. McBryde, W. McBryde, Yassman, Ober, Gwathney, A. P. Lee, Norfleet, Lippitt, Hynson and others.

Rev. Dr. Jas. A. Quartes filled the pulpit of the Presbyterian church last Sunday morning and evening. He will also preach there next Sunday.

EDITORIAL

"Much was said and done the latter part of last session in regard to correcting a certain laxity in the enforcement of the Honor System that was felt to be growing. Each college man, and especially each man elected should feel it his especial duty to rigidly carry out his instruction without fear or favor."

While there has undoubtedly been encroachment and violation in a general way, one very important field where it must surely work has been badly overlooked. We refer to the wholesale and gross violation of the pledge to which all members of athletic teams are required to subscribe. If the Honor System does not work in all phases of college life it can hardly be hoped that it will be wholly effective in any particular phase of it. When a fellow agrees to abstain from certain things forbidden by the coach he is in honor bound to stand by it or resign. Honor is honor, and there can be but little difference in breaking it in athletics and in any other phase of college life. If a man can break his honor pledge in athletics with impunity, sooner or later it may be safely done in class room or on examination day. This very thing has lost us more victories than any other one thing. The sooner the student body demands that every man on an athletic pledge stand by his honor the sooner we will get out a winning team, and what, if possible, is more important the easier it will be to correct any laxity in other phases of college life." (Signed) A.

The above communication was sent to the Ring-tum Phi by an alumnus of this institution and we are, to say the least, very much surprised at the charges it contains. If there are any two colleges in America known far and wide for their Honor System they are Washington and Lee and the University of Virginia. The meeting of last year to which the writer refers is but an evidence of the spirit of the student body at this institution. That an alumnus should come at us with the charge that our athletes are, as a class, men devoid of honor; that there is at this school a "wholesale and gross" violation of the athletic pledge, is something we had not looked for.

To say the very least this communication is rather inconsistent. If this violation of the athletic

pledge is so general why have we seen none of it? The editor is personally acquainted with more than half of the athletes of this school and he has never seen anything to lead him to believe that they are men devoid of honor. The gentleman begins his communication by exhorting every one to uphold the honor system and to report all violations of it. Good! We agree with him. But why then if he knew of so very many cases of the violation of pledges he did not report some of them, or at least say something about it at that meeting last year, since it would seem from his letter that he must have been there.

No. We don't believe it. Individual cases there may have been; and these should have been reported and the men expelled from the college or at least required to resign from the team; but that the athletes of this college are, as a class, men who will violate their honor is not true.

Graham-Lee.

The first meeting of the Graham Lee Society was held Sept 16. No regular program had been prepared and after an address of welcome to the new men by President Addison, the Society turned to the election and initiation of members. Twelve new names were added to our list. The new men all made speeches of appreciation, several showing marked signs of oratorical ability.

Our second meeting was held the following Saturday night, Sept. 23. Four more names were added to Graham-Lee's roll. The orators of the evening were Messrs. Hersog and Sapp. They were followed by Flannagan with a voluntary oration on Stonewall Jackson. The next feature was a debate on the subject: "Resolved that U. S. Senators should be elected by popular vote." Smith and Pilkington supported the affirmative, Larrick and Tiffany, the negative. The judges decided in favor of the affirmative. Election of officers resulted as follows: President, C. R. Pilkington; Vice Pres., Tiffany; Treas., Engle; Ring-Tum Phi reporter, Smith.

The Wash. Society

The meeting was called to order by President MacDonald, then order of the evening was taken up. Declamations were delivered by Messrs. Syron and Dominicks; orations by Messrs. Miller and Godwin. The debate showed careful preparation. The question was Resolved that railroad rates should be regulated by the Federal Com. Com. The affirmative consisting of Messrs. Wisman and Stevenson proved the better debaters.

Messrs. MacDonald, Semple and Stevenson were elected to represent the Wash at the Thanksgiving celebration. Messrs. Hynson and Wiseman were elected president and secretary respectively, for this celebration.

The Wash membership is showing up well, and the Society intends to keep it up.

Y. M. C. A.

The regular meeting of the Y. M. C. A. at 3 o'clock on Sunday afternoon was addressed by Dr. Manly, who made some very interesting and instructive observations on the Parables of Christ.

The speaker noted that parables constitute a form of teaching almost entirely peculiar to the New Testament. That while these parables are simple, yet they are so full and great in their simplicity that, no one has ever dared to imitate them. Christ used them not only to give instruction, but also to test the faith of his followers. Hence it is imperative that they be studied not in isolation, but in their full connection.

After the services some time was spent in the organization of Bible classes for the year.

Bible Study Institute

Mr. Brown, the State Y. M. C. A., college secretary, and Mr. MacArthur, one of the international secretaries, who are visiting the various colleges of the State, in the interests of Bible Study, were in Lexington on Thursday and Friday and held conference with the Bible class-leaders from W. & L. and the V. M. I.

On Thursday night a public meeting was held in Engineering hall and Mr. MacArthur, who is a graduate of Harvard, presented in a very striking manner the claims that Bible Study should have on every college student.

Enthusiastic and Orderly Athletics

The rooting at the games played on our grounds this season has been lagging, and at times it has seemed hard for the crowd voluntarily to keep behind the line.

Observing these facts and realizing that organization is essential for the best work in every sphere, President White called a meeting of the Executive Committee Monday, Oct. 2 and the following men were constituted a committee to lead in the rooting, and secure proper order at the games: Messrs. Stone, Steves, Pipes, Trimble, Dunlap and J. L. Campbell, Jr. Since these men are to discharge the rather difficult task of encouraging enthusiasm and, at the same time, repressing the evils that may arise from too much enthusiasm, it is earnestly requested that they receive the hearty support and cooperation of the student body, at all games on our own grounds or those of the V. M. I.

Meeting of Harry Lees

A meeting of the Harry Lee Boat Club was held in the Latin room Monday afternoon for the purpose of electing officers and transacting other business. About 40 members were present when the meeting was called to order by Vice-President W. H. Dunlap. Officers were elected as follows:

President, A. F. White.
Vice President, W. H. Dunlap.
Sec'y and Treas'r, L. J. Desha.
Historian, C. P. Light.

The crew committee elected consisted of Messrs. A. I. Miller, G.M. Minetree and B. T. Smith, which gentlemen were also instructed by the president to meet a similar committee from the Albert Sidney Club and take immediate steps toward securing a race with the Virginia Boat Club next June.

The motion was made and carried to have a captain of the crew who shall receive all the prizes, honors, etc., formerly awarded to the stroke. On motion it was voted that this year the captain shall be selected by the crew committee but in each year thereafter he shall be selected for the following year by a meeting of the crew held immediately after the regatta.

All men in college who are not members of either club are extended a cordial invitation to be present at the meetings of the club and become members. Names of all old and new men who desire membership should be handed to the secretary at once together with the annual fee of 50 cents.

Albert Sidneys Meet

A meeting of the Albert Sidney Boat Club was called on Monday evening for the purpose of electing officers and transacting other business. President Withers, after calling the meeting to order, read the constitution in order that the new men might know the objects of the club. The annual report of the president was then heard, after which officers were elected for the ensuing year. The following officers were elected:

H. W. Withers, president.
C. N. Hobson, vice-president.
G. H. Miles, secretary.
S. A. Toms, treasurer.

The president appointed the finance committee, composed of Messrs. Riser, Witten and Stephenson. T. G. Stone was nominated and elected by acclamation as chairman of the crew committee. G. H. Miles and H. W. Withers were the other members elected on this committee.

After a talk by the president on the subject of training boats for the crews the meeting adjourned.

Quite a number of new men enlisted on the side of the Blues after the meeting.

HEAD AND FEET FITTERS

Dr. Hadley on Fair Sport

Dr. Arthur T. Hadley, as president of Yale university, in his address at the first Sunday divine service of the academic year, warned students against ideals that lead to "fraudulent business, bad politics and unchristian civilization." He said in part:

"If a man's purposes and ideals are such that he is seeking to attain them for himself at the expense of his fellowmen they are pagan ideals. If his ideals are such that each step toward their realization means the advancement of those about him his purposes are Christian. Let us look at its application in various fields. What is the pagan ideal of sport? To win whether you play fair or not. What is the Christian ideal? To play the game fairly for all that it is worth and win if you can.

"If we hold the former ideal every game that we play is a training for fraudulent business, bad politics and unchristian civilization. If we play with the latter purpose in view every game is a training for that public service in church and state for which Yale college was founded. What is our ideal in intellectual work? Is it to achieve a certain degree of distinction, here and hereafter, without regards to the means by which that distinction has been obtained? Or is it to prepare for true knowledge of nature and man which can be used for efficient service? It is the man who is dominated by the purpose to put things into life who takes the lead in the service of God.

"The life of our American colleges today is so manifold and complex than any man can find something, scholastics or athletic, literary or social, which appeals to his special aptitude and taste. The good which he gains by devotion to these ends is not measured or limited by the degree of success which attends him. The man who fails, if he can but keep from the discouragement of failure, sometimes learns more useful lessons from it than the man who succeeds; for the man who fails and rises above his failure is free from what is perhaps the most dangerous temptation of American business life at the present day—the danger of measuring the value of a man's purpose by the immediate and tangible results achieved."
