LAW DEBATING SOCIETY ORGANIZED

Members of Senior Law Class Take Important Step

On Wednesday, Oct. 13th, members of the Senior Law class met in Tucker Hall for the purpose of discussing the advisability of forming a legal debating society. At that time no definite steps were taken but Messrs. Harvey, D. S. Kilmer and Dickinson were appointed to make recommendations to the meeting. At a second meeting, Oct. 18th, Chairman Harvey reported for the committee, recommending the organization of a Senior Society, on a plan similar to that of the Literary Societies, with limited membership and that special attention be given to extemporaneous speaking. The report of the committee was adopted and permanent officers were elected as follows:

W. R. L. Taylor, president, G. E. Bell, vice president, R. A. Russell, secretary.

On motion of Mr. Dunn, the chairman appointed Messrs. O. T. Kaylor, L. G. Scott and R. B. Page a committee to draw up a constitution and by laws. An experimental meeting will be held this week at which a legal question will be debated, in order to test the practicability of certain points of procedure before the adoption of a constitution. The members of the new society are: Taylor, W. R. L., Bell, G. C., Russell, Page, Dickinson, Sacks, Dunn, Harvey, Scott, L. G., Kilmer, D. S., Kilmer, J. N., Schlossberg, McNeill, Schein, Kaylor, Reid, H. S., Richardson, F. B., Scott, C. C., Porter, Engleby, Gregory, Blanton, Straley, Watson.

RESOLUTIONS OF THE STUDENT BODY

Since it has pleased our Maker in His all wise judgment to take to Himself William Randolph Bledsoe, we, as a committee of the student body desire to publish these resolutions:

1st. That in him his Alma Mater has lost a worthy son, and one ever loyal to her best interests.

2nd. That we, his friends and associates of Washington and Lee University, shall remember him ever as a true comrade, as one who was always ready to lend a helping hand in all college enterprises, and as a man who was loved and respected by every one who knew him.

3rd. That although he is gone, we have a perpetual memorial to his ability in the organization of the student body which largely by his own efforts was perfected.

4th. That we wish to extend our most tender sympathy to his stricken mother, sister, and brothers and hope that God in His mercy may give them strength to bear this sore bereavement.

J. L. CAMPBELL, Jr.,
Chairman,
C. N. HOBSON,
N. D. SMITHSON.

DAVIDSON GOES DOWN BEFORE THE WHITE AND BLUE

Washington and Lee Wins Hard Fought and Exciting Contest— Game Replete With Spectacular Plays Finally Won by Miller's Field Goal

Washington and Lee came back strong in the last game on the home grounds and defeated Davidson in a spectacular game by the score of 14 to 12. The White and Blue played better ball than at any time since the season opened and outplayed Davidson at all stages of the game except the first quarter and a few minutes of the second. Their backs gained constantly. Captain Waddill showing his old time form in carrying the ball. Humphrey repeatedly went around the ends for gains of 20 yards, and Miller again showed himself to be exceptionally strong in offensive work. Blackburn had been shifted from the line to the backfield, where he put up a steady game, and Simms' work was excellent. For Davidson Klutz and Booe were the stars, Booe's punting being one of the features of the game. Davidson's fake of having leather in the shape of a football sewed on the jerseys of the backs was confusing, and in several instances as many as three men were tackled. This trick enabled Cashion to gain 25 yards in the second quarter and put the ball in position for Davidson's second touchdown. The game was marred by frequent playing for time, particularly on Davidson's part. Penalties were frequent and much time was lost in protests. Washington and Lee was penalized for a total of 120 yards, while Davidson lost only 10 from this cause.

Washington and Lee scored first, when they secured the ball after Booe's fumble on Davidson's 28 yard line. By a series of skin tackle plays the ball was carried to the 10 yard line and Waddill went over for a touchdown. Miller failed on a difficult goal. Two minutes later Booe punted to McCallie on Washington and Lee's 30 yard line. McCallie failed to hold the ball and it rolled past him, Klutz recovering it and placing it squarely between the goal posts. Booe kicked goal. Davidson scored again in the second quarter on a beautifully executed forward pass to Klutz, after Cashion's 25 yard run. Klutz had a clear field for a touchdown and Booe kicked goal. In the third quarter Washington and Lee carried the ball from the center of the field by repeated gains through the line and around the ends by Blackburn, Waddill, Miller and Humphrey to the 15 yard line from which Waddill carried it over. On the kickoff for trial at goal Kinnear caught the ball in front of the goal posts, and Miller kicked goal. During the remainder of the game Washington and Lee made long gains, but was unable to carry the ball over, Davidson making little headway. The ball was carried to Davidson's 10 yard line where Washington and Lee was held for downs, and Booe punted out of danger. Again the ball was taken to the 20 yard line and Miller won the game by kicking a goal from placement.

THE GAME IN DETAIL

First Quarter: Waddill kicked off 50 yards to Booe, who returned 14 yards, but fumbled when tackled, Kinnear falling on the ball. After two fumbles for a loss of 10 yards Miller could make but six yards and the ball went over. Booe fumbled for Davidson and Washington and Lee secured the ball. Waddill made five yards through right tackle, Miller gained two on skin tackle, and Waddill made it first down. Blackburn failed to gain through tackle, but Miller tore off eight yards around right end and on the next play Waddill plunged through the line for a touchdown. Miller failed at goal. Washington and Lee kicked off to Klutz, who was downed in his tracks. Booe punted 40 yards to McCallie, who failed to hold the ball. It rolled past and was carried over for a touchdown by Klutz. Booe kicked goal. Booe kicked off to Kinnear on Washington and Lee's 45 yard line. Waddill went around left end for five yards. Humphrey failed to gain on a delayed pass. McCallie through center made first down. Miller made 10 yards on two runs through left tackle. Waddill made nine around right end. McCallie was downed behind the line for a loss of one yard. Blackburn fumbled and Davidson got the ball on their 45 yard line. Booe went around Burke for seven yards and then punted 35 yards to Graham, who was downed in his tracks. Blackburn failed through line. Waddill made 12 around right end. Humphrey made a beautiful run of 15 yards on a delayed pass but Washington and Lee was offside and the ball was brought back and Washington and Lee penalized five yards. Miller gained three yards around left end. Waddill punted 25 yards to Davidson's quarterback, and Booe followed with a punt of 45 yards over McCallie's head. The ball was brought back to the center of the field, however, and Washington and Lee was penalized 15 yards for holding, Davidson retaining the ball. Booe made two yards but Washington and Lee was again penalized five yards for offside play. Davidson fumbled and Rogers threw Booe for a loss of 12 yards. A delayed pass, Erwin to Booe, lost five yards for Davidson, and Booe punted 40 yards to Graham, who returned three yards. Time up. Score, Washington and Lee 5; Davidson, 6.

Second Quarter: Ball was put in play on Washington and Lee's 25 yard line, Washington and Lee defending the west goal. Miller gained eight yards around right end. Waddill got away for a beautiful run of 22 yards around left end, and Miller followed with three yards. Blackburn hit center without gaining and Waddill punted over Graham's head and the ball rolled over the goal for a touchback. The ball was put in play on David-

TRACK CANDIDATES OUT

Preparations Being Made for Annual Cross-Country Run

The track season was formally opened Oct. 12th by a notice for all candidates for the annual cross-country run to report for practice. Fifteen men came out the first day in response to this call and that number has now increased to 27, which is the greatest in the history of cross-country running here.

The race will be run early in November, and will be over the same course as last year, starting at Elliott's Hill, a distance of five miles from Lexington, on the Natural Bridge road, and ending on Main street in front of the postoffice. The old course of eight miles, over the Buena Vista road, was found too rough and rocky for ideal cross-country running, and last year the change was made. The present course was found to be an excellent one, since it is rolling from start to finish, ending with a down grade of more than one quarter of a mile. Anderton, who holds the cross-country record, will not enter this year, as he has won the event two years in succession, but will be seen all year on the track team. Carter Glass, Jr., who won third place last year, will again enter the race. There are a number of other old men out as well as several promising new men. The squad is hard at work and every afternoon is taken over several miles of cross-country.

WASHINGTON LITERARY SOCIETY

The Washington Literary Society held its regular meeting on Saturday evening last in the Society hall. The program included two orations, carefully prepared by Messrs. F. H. Hart, on "The New Bondage," and T. B. Ruff, whose subject was, "China's Awakening." The declaimers of the evening were Mr. W. H. Abramovitz, who pleased the society with his rendition of "Mississippi's Contested Election," and Mr. D. E. Massey, who recited "Grey's Elegy." The subject for debate was, "Resolved, That a Republican victory in the next congressional elections would be for the best interests of the United States." Messrs. Claude Smith and G. E. Miller upheld the affirmative, while on the negative were Messrs. A. H. Hopkins and W. R. Taylor. The decision of the debate, which was hotly contested was awarded by the judges, Messrs. Converse, Wilson and Kirby, to the affirmative.

After a few impromptu remarks by several members a motion to suspend the meeting for October 29 was made and carried.

At the University of Alabama, a student boarding association has been organized to take charge of the Dining Hall. The University has heretofore had charge of this, but has now transferred this duty to the students. The association is made up of representatives from the Senior, Junior and Sophomore classes and is entirely co-operative in plan. A student is selected as steward and board will be furnished at cost, the entire management being in the hands of the Student Boarding Association.

SOPHOMRES - FRESHMEN GAME

Second Year Men Defeat Their Opponents—Score 14 TO 0

On Monday afternoon the Sophomores defeated the Freshmen on Wilson field by the score of 14 to 0 in a game characterized by fumbling on both sides. Peoples clearly showed his ability as a kicker by twice on kickoffs booting the ball behind the Freshman goal line and also by kicking a goal from placement in the last quarter. His punts were high and averaged over 40 yards; Avery, for the Freshmen, punted just as far.

During the first quarter the Freshmen by hard playing and Avery's punting kept the ball in the 1913 territory.

In the second quarter after an exchange of punts, the Sophomores obtained the ball on the Freshmen 35 yard line. A well-executed forward pass, Ball to Peoples, netted the latter 20 yards. After making first down again, Elliot, on a delayed pass, crossed the 1914 goal line for the first touchdown. Peoples kicked an easy goal. It looked as though the Freshmen would score when Murphy threw a pretty forward pass to Ramsey for an 18 yard gain and repeated the play for 16 yds, but Ramsey fumbled the ball, as time was called.

In the third quarter long end runs by Erwin and Elliot placed the ball on the 1914 five yard line, from where on a fake line buck Richardson scored the second touchdown. Peoples failed to kick the goal. Score, 11 to 0.

Soon after Peoples kicked off in the fourth quarter Gibson recovered Murphy's fumble on the Freshmen 15 yard line. The Freshmen held the Sophomores for two downs and Peoples kicked a goal from placement. Time was called a few minutes later with the ball in the Freshmen's possession in the center of the field.

The best men for the Sophomores besides Peoples were Erwin, Elliot, Richardson and Ball. For the Freshmen Avery, who kept his goal line from being more often crossed by his long high punts with Shiles, Clemens, Ramsey, Dabney and Treslar were the stars. A good crowd of 250 rooters cheered for their favorites.

TREAT IN STORE FOR PLAY LOVERS

Mr. Arthur de Breanski, who has performed leading parts in the Ben Greet Company for the past two years and who is well known in Lexington, will give Oct. 31 in the Lexington High School Auditorium a series of costume recitals. They will comprise renditions from Shakespear's famous plays and from such modern plays as "The Bells," which Sir Henry Irving made so famous in his role of Mathias. The rates will be 50 cents for all except pupils of the Grammar School and High School, who will be charged 25 cents.

JUNIORS DEFEATED BY A. M. A.

Yesterday at 12 o'clock the Junior football team went to Fort Defiance to meet Augusta Military Academy. The game was called at 2:30. The Juniors started well and during the first quarter the ball was in A. M. A.'s territory altogether. During the second quarter, however, A. M. A. rallied and by a forward pass put the ball on the Juniors four yard line. Here they were held two downs, but on the third barely pushed the ball over the line. Goal was kicked after punt out. After the score the Juniors carried the ball to A. M. A.'s 25 yard line, but time was called before they could score. The third and fourth quarters were hard fought, the ball being in the center of the field most of the time. Neither goal was threatened until near the end of the game. Orderman, after an end run of 25 yards placed the ball on A. M. A.'s 30 yard line. Again time was called before the Juniors could score. The Juniors line was impregnable, all of A. M. A.'s substantial gains were made on end runs.

The Juniors are extravagant in their praises of the excellent treatment they received at the hands both of officers and students and of the fairness of the officials of the game.

The following men made the trip: Anderton, Orderman, Webster, Larrick, Robbins, Medford, M. Brown, Hatton, Pritchett, Heath, Walter, Ruck, Alder, Wood, Hart, Glasgow.

WEST VIRGINIA CLUB

The West Virginians in college met last week in Reid Hall and organized a club for the coming session. The officers elected were:

Harry Moran, president.
George Boyd, vice-president.
H. E. Hannis, secretary and treasurer.
C. O. Dunn, historian.
Lively, toastmaster.

Arrangements were made to hold monthly meetings. The club decided to have a banquet in the near future and the arrangements for this will be made shortly.

SECRET PRACTICE

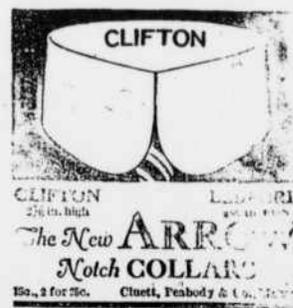

Coch Pollard desires to hold secret practice on Tuesday and Wednesday and requests that everybody keep away from Wilson field and refrain from looking from the high bordering hills and windows.

Minnesota and Dakota Colleges have agreed to allow their ball players to play professional ball during the summer months without losing their athletic standing.

Williams College has changed its style of freshman cap. It is now of black broadcloth, with a large red button.

Dr. William Preston Few will be inaugurated as President of Trinity College, Durham, N. C., Nov. 9th. He succeeds Dr. Frederic William Hamilton, who assumes the Presidency of Tufts College.

**H. PARKER WILLIS,
GEORGE WASHINGTON DEAN**

Special from Ring-tum Phi Correspondent

Washington, D. C., Oct. 19.—The "George Washington News," the bi-weekly publication of the students in the George Washington University, of October 14th, makes the following comment regarding the appointment of Dr. H. Parker Willis as Dean of the College of Political Sciences in that institution:

"Of the new Dean of the College of Political Sciences, 'Who's Who in America' has this to say:

"Henry Parker Willis, Ph. D., economist, journalist; born in Weymouth, Mass., August 14, 1874; educated Western Reserve University, University of Chicago, University of Leipzig, University of Berlin, University of Vienna; graduated University of Chicago in 1897 (Ph. D. in 1897); special student in economics, history, political science, law. Adjunct professor in 1898-'99; professor 1899-07 in economics and political science at Washington and Lee University. Assistant to Monetary Commission, 1897-98; leading writer for New York Evening Post, 1901-'02; Washington correspondent for New York Journal of Commerce and Springfield Republican. Joint author report of the Monetary Commission, 1898; author 'History of Latin Monetary Union,' 1901; 'Reciprocity' (with Prof. J. L. Laughlin), 1903."

"It may also be added that Dean Willis has frequently been called upon by the government to serve as a consulting expert on various committees on statistical reorganization within the Departmental service, and on other matters. With reference to his writings, it may be stated that the above is an incomplete list, and that he will shortly publish a 'Life of Steven A. Douglas,' written or the American Crises Biographies, and a work on 'The Principles of Economics.'

Dr. Willis came to us from Washington and Lee University, where his work as an instructor and as an organizer was of high order. He has been associated with the College of the Political Sciences since the organization of that department, teaching subjects in economics. Upon the resignation of Dr. C. W. A. Veditz Dr. Willis succeeded him as head of the Department of Economics and Sociology. During the past several years he has taught most of the subjects under his supervision.

"The Political Science Department has not been a storm center in the recent upheavals, and, although there have been changes, they have been of a minor character. But it has been well said that 'Blessed is the nation whose history is briefly told' and the saying applies to colleges also. The curriculum of the department has not been curtailed, its requirements have not been altered. A substantial increase in the number of students enrolled is reported and work in all branches is progressing favorably under the leadership of Dean Willis, who enjoys wide popularity among the student body."

ALBERT- SIDNEY BOAT CLUB

The Albert Sidney Boat Club met in the Engineering Room Wednesday afternoon and organized for the coming year. The officers elected were: President, R. P. Bell. Vice-President, S. A. Honaker. Secretary-Treasurer, C. L. Ordeman. Historian, R. W. Diekey. A committee on membership was appointed, consisting of C. N. Hobson, chairman; H. W. Dew, L. A. Dillon and C. L. Ordeman.

**DR. T. J. FARRAR
ADDRESSES THE Y. M. C. A.**

The regular meeting of the Y. M. C. A. was held in the Library Building last Tuesday night at 8 o'clock. Dr. Farrar made a very interesting and instructive talk, which was listened to by a large crowd of students. He spoke on the importance of having high and noble ambitions. The fact was mentioned that many men today in beginning their life work have selfish and narrow standards, leaving out altogether the idea of service to their fellowmen and to God. He said that our ambitions should be high while the great and the primary motive should be to serve God by building up a pure religion in whatever community we happen to be in.

The music was up to the usual standard set at the beginning of the year. A great deal of life has been put into these meetings by the hearty singing of the hymns.

GRAHAM-LEE SOCIETY

Resolved, That the people of the United States demand the return of the Democratic party to power," was the question debated at the regular meeting of the Graham Lee Literary Society last Saturday night. The affirmative was upheld by Messrs. Poland and Crowgley, while the negative side was defended by Messrs. Nicholson and De Shaza. The judges decided the question in favor of the affirmative. One of the most pleasing features of the meeting was the attendance of all those men who were on the program. The declamations were well rendered, "The Old Man's Soliloquy" by Mr. Ogilvie being especially entertaining. As the student body expects to go to Roanoke to the W. & L. V. P. I. game on the 29th, the meeting for next Saturday was postponed.

We are always glad to publish any communication that may be handed to us, but we desire to state that we will not be responsible for sentiment expressed.

We also desire to call attention to the fact that unsigned correspondence will not be published. Those who do not desire their names published should add a pen name and their wishes will be complied with.

"On to Roanoke" is the watchword of this week. The Ring-tum Phi is making no predictions as to what the outcome of the game with V. P. I. will be. But we are confident of one thing, which is that the team which goes into Saturday's game will put up the best fight in them. No effort will be spared to win, and if they are beaten, it will be with the consciousness that they did their best. The chief characteristic of Washington and Lee's team as evidenced by both the Georgetown and the Davidson game is the gameness and determination with which they battle to the last ditch. It is with that spirit the student body should go to Roanoke. We will go there to back the team until the play is over; we will not be beaten, if at all, until the whistle sounds at the end of the fourth quarter.

Meantime, what about rooting practice Wednesday and Thursday afternoons? And what arrangements are being made for a band at the game?

DAILY ASSEMBLY

It is understood that the proposition of holding daily assemblies has been brought before the administration for consideration. The value of a daily gathering of the students is unquestioned and it is hard to see why there should be any hesitancy in the adoption of some plan by

which it will be brought about. The most open and obvious fault in the present organization of student life here is that there is no point of contrast between the various groups of men. No opportunity is afforded the student body of getting together on any proposition. No cementing force is felt such as would bring about a community of interests and oneness of aim. The monthly assembly only partially fulfilled this need because of its infrequency, and since it has become less frequent even than before, it has correspondingly lost value. Mass meetings do not answer the purpose because it is impossible to get any but the most public-spirited to attend. Other schools have their mess halls in which practically all students are brought into contact with each other. Dormitories answer this purpose at some colleges and still others have loafing rooms where men may become acquainted with each other. But at Washington and Lee we have none of these advantages. Our dormitory is too small to bring many men together, since it furnishes room for only seventy of the six hundred. The matter was not so serious when we had only two or three hundred students, for then each man knew every other; now, however, it frequently happens that a man spends one or two years in college without even meeting one or two hundred of his fellow-students. It is this fault which a daily compulsory assembly would correct.

The plan is perfectly feasible. By shifting classes fifteen minutes earlier, before twelve o'clock, or fifteen later after twelve, enough time would be gotten in the middle of the day for a short service and the announcements for the day. Even so short a time as this spent daily together as a student body would work wonders in bringing about a unity of feeling, thought, and effort.

HALLOWE'EN

This time it is the Freshmen. They have earned the commendation of the university by putting themselves on record as opposed to the exhibition of vandalism and the wanton destruction of property which has been imposed on a long-suffering public each Hallowe'en since the memory of man runneth not to the contrary. The especial attention of freshmen who were not present at the class meeting is called to this action. We want them to understand that the sentiment of the thinking men of their class is opposed to the puerile demonstrations usual on this occasion. They do not approve of the destruction of private property and the disfiguring of uni-

versity buildings simply because Hallowe'en is freshman night. A parade is all right. We would like to see the biggest and best parade this year ever pulled off. But we urge the members of the class—and if they cannot do it—the upperclassmen, to see that enthusiasm is directed along the proper channels. How does breaking street lamps add to the glory of a celebration? Or what purpose is served by dislodging some peaceful citizen's gate and reducing it to kindling wood? More than that, why demolish any property when two or three times its value will have to be paid out of contingent fees—in other words ultimately from athletic funds?

We have heard of no steps being taken to put class games on a systematic basis, as suggested last week. If the Athletic committee will take the lead there will be no difficulty in agreeing upon a plan. The committee should rule upon the eligibility of men to play with the respective class teams, and assist in arranging an orderly schedule. It would also be an incentive to the organization of class teams to award class numerals to members of the teams, and establish a custom of wearing them. If the committee considers it too late to arrange a class football schedule, it is not too early to take up the matter of basketball and baseball.

EXCHANGES

Syracuse gives twenty scholarships to members of the University band, each scholarship being valued at sixty dollars.

The athletic committee of Cornell has devised a new scheme to increase the sale of season tickets. Heretofore the price of these tickets has been \$12 cash, but now the payment may be made in two parts, \$6 cash and \$6 before January fifteenth.

The annual cane rush between the Sophomores and Freshmen of the Medical college of New York University last Wednesday ended with the honors favoring the police who very effectively broke up the contest, arresting three of the participants.

NOTICE

The Senate will meet for re-organization Monday, Oct. 31, at 5:30 p. m., in the Ring-tum Phi office, third floor of the main building. All men holding degrees from Washington and Lee or who have been in college more than four years are urged to attend this meeting.

The Georgetown Game from the Viewpoint of the Washington Alumni

Special from Ring-tum Phi Correspondent

Georgetown fully atoned for her defeat at the hands of Washington and Lee two years ago on October 15th, when she won from the blue and white team in a clean, sportsman-like game of football.

Washington and Lee suffered a crushing defeat. In no part of the game did she even develop 'varsity style; and to the spectators, the game would have been as interesting if the Lexington High School had played in her place. Georgetown won in a walk—won squarely—and no further explanations are necessary.

It is true that several of Washington and Lee's best men were out of the game, but the result would have been little better had they played. A university with a student body of 600 men cannot defend such a showing as Washington and Lee made in the Georgetown game by saying that her best men were not on the field. It is the duty of such an institution to provide best men enough to go round, if she aspires to university rank in athletics.

As Georgetown made touchdown after touchdown, the abject misery depicted on the faces of old Washington and Lee football players who stood along the side-lines was pitiful to see. One of the stars of the famous 1907 team said with tears in his eyes near the end of the game:

"This is not football. It is not natural. It is simply a massacre."

In describing the scene for those who were fortunate enough not to witness it, the word "massacre" aptly sums it up.

It was awful.

The claim is made that the game was lost because Washington and Lee had no material out of which to build a team. Possibly so; but high school players are taught to catch a ball and how to hold it, and are trained to move about on their feet. The fault was not altogether that of the material, for the men did the best they could. They fought from start to finish, but were entirely outclassed.

The Georgetown students who were on the field during the game displayed a generous spirit and extended to Washington and Lee's team a courtesy worthy of the Old Dominion. When the Washington and Lee supporters could no longer force a smile, much less a yell, the Georgetown students encouraged the blue and white players whenever they appeared to rally.

Such treatment could have been received only from a student body composed of gentlemen and lovers of clean athletics, and Georgetown has the appreciation of the Washington and Lee alumni in the national capital.

Fred Dulaney, superintendent of the Bristol Belt Line railway, is experimenting with wireless telegraphy there. He recently established a station on a high knob west of the city, provided it with a receiving apparatus, and as a result the Bristol telegraph operators have been listening to messages that have been sent to ships at sea and in port. One of these operators states that this week he heard a message that was sent from a point on the lower Atlantic seaboard to a steamship that had dropped anchor in the port at Boston. The Bristol station has not yet been provided with sending apparatus, but it is stated that this will be done.—Lynchburg News.

Dulaney attended Washington and Lee 1904-1906.

Rev. W. S. Hammond, the local Methodist minister, will address the Y. M. C. A. Tuesday at 8 p. m. in the Library Building.

MISSOURI CLUB

The men from Champ Clark's state met last week in the dormitory for the formation of a state club. Officers were elected as follows:
 President, R. W. Ely, Kennett.
 First vice-president, Ben F. Seward, Springfield.
 Second vice-president, Gregory, Kansas City.
 Secretary, L. E. Goldman, St. Joseph.
 Treasurer, Bruce Seddon, St. Louis.
 The cob pipe was chosen as the emblem of the club, its members being compelled to smoke corn cob pipes in public, and that watchword of all Missourians, "Show me," was fixed upon as its motto.

Parker LUCKY CURVE FOUNTAIN PENS

Cleanly because of the Lucky Curve.

The ordinary fountain pens have straight ink feeds, which hold ink after you stop writing until air, expanded in the reservoir by the heat of the body, forces ink into the cap, where you find it ready to ink fingers and linen when you remove the cap to write. But the curved ink feed of the Parker - the Lucky Curve - is self-draining. No ink in the ink feed, none can be forced into the cap. The Parker is cleanly, dependable and ready to write with without wiping off the barrel, because of the Lucky Curve.

For School Work

In the class room, in the study, a fountain pen aids the student in neat written work, but it must be a *cleanly* fountain pen, and that means the pen with the Lucky Curve - the PARKER

Continued from page 1

son's 25 yard line and Booe punted 35 yards to Waddill, who ran the ball back five yards. Miller made four yards on skin tackle play and Burke went through center for eight yards. Waddill failed to gain and Miller made three yards. Washington and Lee on a fake kick attempted a forward pass to Humphrey, which was intercepted by Klutz, who was downed without gain by McCallie. Pharr made 10 yards around right end for Davidson and followed it up with three more. On a delayed pass Cashion gained 25 yards and a moment later Klutz carried a forward pass over for a touchdown. Booe kicked goal. Simms, Derr and Davis replaced Waddill, Graham and Blackburn in the backfield. Booe kicked off 45 yards to Simms who in the most spectacular run of the game, brought the ball back 40 yards. Fumbles by Simms and Davis lost four yards and Davis punted 35 yards to Graham, who ran back 15 yards. Booe punted 40 yards to Simms who ran out of bounds. Burke tore off 35 yards around left end. Derr went three through the line and Miller through right tackle made distance. Simms lost three yards and Humphrey made two yards. Davidson was penalized two yards for time out third time during the quarter. McCallie made a forward pass to Derr, which failed to net the required distance and ball went over. Booe punted 30 yards to Simms, who was downed without gain. Burke was thrown for a three yard loss, and Simms downed in his tracks. Davis punted to Klutz, who was tackled by Burke from behind, after gaining four yards. Burke was hurt in the play and had to be taken out of the game, Harman going in at left end, McCallie returned Booe's punt five yards. Derr made three around right end, but Washington and Lee was penalized 15 yards for unlawful interference. Davis' attempt to punt was blocked, but Moomaw recovered. On an end run Simms gained 20 yards. Time up. Score, Washington and Lee, 5; Davidson, 12.

Third Quarter: Waddill returned Booe's kickoff 10 yards. In three attempts at the line Washington and Lee failed to make distance and the ball went over. After failure to gain through center Davidson tried a forward pass which Humphrey intercepted. Blackburn on double shift made two yards through tackle. Humphrey, on an end run made 12 yards, but lost the ball when tackled hard. Davidson failing to gain was forced to punt. Miller again showed his ability to carry the ball and went through right tackle for 20 yards, but McCallie was thrown for an eight yard loss. Humphrey got away round the end for 20 yards. Blackburn made five through the line. Waddill got 20 yards around right end, and Blackburn went through center for seven yards. Washington and Lee had struck her pace and marched steadily to the goal for the second touchdown. Miller kicked goal. Waddill kicked off 25 yards to Wolfe, who came back eight yards. McCallie returned Booe's punt three yards. The only other long gain of this quarter was Blackburn's run for 14 yards and time was called with the ball in Washington and Lee's possession on Davidson's 40 yard line. Score, Washington and Lee, 11; Davidson, 12.

Fourth Quarter: The ball was put in play on Davidson's 40 yard line.

Blackburn gained five through center, but Washington and Lee was penalized 15 yards for holding. Waddill's inside kick was received by Humphrey, but the ball was brought back and Davidson penalized. A series of runs by Miller, Waddill and Blackburn carried the ball to Davidson's 14 yard line, where it was lost on downs, and Booe promptly punted out of danger. A second march toward Davidson's goal was begun, Humphrey assisting in advancing the ball. With the ball on Davidson's 25 yard line the signal was given for a place kick and Miller booted the leather squarely between the posts, while the line held perfectly, for what proved to be the winning score of the game. The remainder of the quarter was a punting duel between Booe and Waddill and the game ended with the ball in Washington and Lee's possession on our 30 yard line.
