October 26th -

Dear Mrs Wood -

I hope you heard the praise and admiration heaped upon your home on Saturday. Many of the tour guests finished the tour at the Chamber of Commerce and they all counted "Blandome" as one of the highlights of the day. They were delighted with the handsome features of the house and with the attractive way you have furnished it, and many made special mention of how very interesting your special exhibits were.

In addition to all this, the tour guests especially appreciated the warm and cordial welcome you and your family gave everyone. It must have been an exhausting day for all of you - the Tour committee and the Foundation ^{Trustees} join in expressing our deepest gratitude to you.

Sincerely,

Billie Campbell
