

Johnsons District  
This morning moved  
down here to destroy  
the Baltimore & Ohio  
Road, which I  
suppose will take a  
day or so. Then we  
will move back to our  
old camp where I  
think we will rest  
until Lee gets his  
army shot & clothed.  
I will have on my  
only shirt or sweater  
piece of shirt (have had  
it on over a month) &  
there is no prospect of  
getting one shortly from  
the Quartermasters  
Department so I suppose  
I will have to wait  
until I can get clothes  
from home.

I have written two  
letters for clothes, but  
as they perhaps have  
not arrived, I will  
try again. I sent a  
complete rigging out  
except a hat. I also  
wrote for a box but  
since I have thought  
about it I suppose  
there are not enough  
of men to justify the  
middleton's coming in  
down so I will not  
look for a box though  
I would be very glad  
to see it, but if it is possible  
send my clothes (Tape Tap  
) which in plain  
English means (As quick  
as possible)
